H. 36 (with substitute). Relating to frauds concerning checks, drafts, or orders for the payment of money; prohibiting the giving of worthless checks or drafts; prescribing penalties; repealing conflicting laws (Act No. 116, H. 63, approved June 20, 1951).

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Judiciary, said committee substitute being as follows:

A BILL  
TO BE ENTITLED  
AN ACT

Relating to frauds concerning checks, drafts, or orders for the payment of money; prohibiting the giving of worthless checks or drafts; prescribing penalties; repealing conflicting laws (Act No. 116, H. 63, approved June 20, 1951).

Be it Enacted by the Legislature of Alabama:

Section 1. It shall be unlawful for any person to procure any article or thing of value, or to secure possession of any personal property to which a lien has attached, or to make payment of any pre-existing debt or other obligation of whatsoever form or nature, or for any other purpose, including payment of wages or salaries for personal services, to make or draw or utter or deliver, with intent to defraud, any check, draft or order, for the payment of money, upon any bank, person, firm, or corporation, knowing at the time of such making, drawing, uttering, or delivering, that the maker, or drawer, has not sufficient funds in, or on deposit with, such bank, person, firm, or corporation, for the payment of such check, draft, or order, in full, and all other checks, drafts, or orders upon such funds then outstanding.

Section 2. As against the maker, or drawer thereof, the making, drawing, uttering, or delivering of a check, draft, or order, payment of which is refused by the drawee, shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds in, or on deposit with, such bank, person, firm, or corporation. Provided, proof of payment of the amount due the holder of the check, draft, or order by the

drawer, within ten days after notice that such check, draft, or order was not paid by the drawee, shall be sufficient to overcome any imputation of fraud.

Section 3. The word "notice" as used herein shall be construed to include either notice given to the person entitled thereto in person or notice given to such person in writing. Such notice in writing shall be conclusively presumed to have been given when deposited, as registered or certified mail, in the United States mail, addressed to such person at his address as it appears on such check, draft, or order, or at his last known address.

Section 4. Whoever violates this Act is guilty of a misdemeanor and upon conviction shall be punished by a fine not exceeding one thousand dollars or imprisonment for not more than one year, or both. And in addition thereto, the court, justice, or jury trying the issue, unless the property has been returned or the value thereof paid to the owner, must assess the value of each article, and such assessed value shall be made an item of cost in the case, and shall be paid in like manner as other costs taxed against the defendant; and the clerk of the court shall issue a certificate to the owner of the property for the value of such property as assessed by the court or jury; provided, that the amount of such assessed value must not be included in any bill of costs paid by the State, or for which the defendant is sentenced to hard labor. On the second or any subsequent conviction of an offense described herein, when the conviction arises out of the issuance of a check, draft, or order dated subsequent to the date of the conviction of the first offense, the defendant must be sentenced to hard labor for the county for not less than thirty (30) days.

Section 5. Any person who has theretofore filed a complaint with any circuit or county solicitor of this State alleging a violation of this Act, or who has furnished information to any such circuit or county solicitor which has resulted in the acceptance of such circuit or county solicitor of such a complaint, or who has testified concerning such a violation before a grand jury of this State which has thereafter returned an indictment on such violation, who shall suggest to or request the circuit or county solicitor in charge of such prosecution that such case be dismissed shall be taxed with all costs accruing in the proceeding.

Section 6. This Act supersedes Act No. 116, H. 63, approved June 20, 1951, and said Act No. 116 is hereby expressly repealed.

Section 7. If any section, subsection, clause, phrase, or sentence of this Act is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portion of this Act. The Legislature hereby declares that it would have passed this Act and each section, subsection, clause, phrase or sentence thereof, irrespective of the fact that one or more of the sections, subsections, clauses, phrases or sentences be declared unconstitutional.

Section 8. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law, provided, that no case pending in court on the date of its enactment shall be affected thereby.

And the substitute was adopted.

#### POINT OF PERSONAL PRIVILEGE

Mr. Self requested as a point of personal privilege that the following be inserted in the Journal:

On October 8, 1959 the House Insurance Sub-committee reported the proposed insurance code back to the entire Committee by a three to two favorable vote. The minority report was filed with the Insurance Committee by Messrs. Self and Branyon, with their conviction being that after duly trying to understand the voluminous, far-reaching, controlling and unagreeable proposed code that the said code, and the amendments thereto, should be studied and thoroughly understood by

all members of the Insurance Committee and the same should be a satisfactory code to the industry of this state and have the protection of policy holders.

After the code was returned to full committee, certain representatives of the insurance industry were present and in some instances expressed some doubt as to whether the code was in acceptable form for the purposes of safeguarding policy holders, investors and the insurance industry in this state.

The undersigned members of the Insurance Committee, individually and collectively, feel that an insurance code is needed in the State of Alabama, but feel that the proposed code should be fully understood by each member of the Insurance Committee with each member feeling that the policy holders of this state are protected thereunder and will in no way be injured with the policies they now hold that were issued by Alabama insurance companies, that the investors in Alabama and foreign insurance companies are protected, and that no insurance company or group of insurance companies, will be unjustly discriminated against, or unjustly burdened with unjustifiable restrictions under the proposed code.

The undersigned members of the Insurance Committee feel that an insurance interim committee should be appointed to study the proposed insurance code as representatives from the Insurance Committee during the interim from adjournment of this Legislature until the Legislature convenes in May 1961. This recommendation being made with the view in mind that the representatives of the insurance industry should assist during the interim in preparing a code that will be acceptable by the companies in the insurance field in Alabama.

The undersigned members would further like to point out that the Commissioner of Insurance, State of Alabama, has not recommended this bill and the undersigned feel that since he is the administrative authority governing the insurance industry in this State that a recommendation should be made from him.

In view of the above, the undersigned respectfully request that an interim committee be appointed to study the proposed insurance code, as amended, and make a report to the Legislature in May 1961.

Respectfully submitted,

John Self  
James A. Branyon, II  
Ashley L. Camp, Jr.  
Barnard Cabiness

Whenever the boundaries of any election precincts, wards or districts are altered or changed, the authority making such changes shall furnish the board of registrars with the revised boundaries of all such precincts, wards and districts at the same time as such boundaries are filed with the judge of probate. The board of registrars shall not be required to place the names of persons registered to vote or of persons moving from one precinct, ward, or voting district to another according to the lines of such precincts, wards, or voting districts so created or so changed until such descriptions and maps as herein provided to be given have been filed with the board of registrars and un-

less such have been filed at least three months before any general, special, primary, or municipal election in Covington County or any municipality thereof.

Section 14. The board of registrars of Covington County, during or upon completion of reidentification, and in all future operations, shall, in the manner prescribed by law, make transfers of registered voters from one voting precinct, ward or district to another whenever sufficient evidence is furnished them that an elector has permanently moved from one voting precinct, ward or district to another, but shall record the transfer as herein provided. Whenever the board of registrars transfers any registered voter from one voting precinct, ward or district to another, the board shall record in a voter transfer book the full name, birth date, year of registration, previous precinct, ward, or district of voting, and the precinct, ward, or district to which the registrant is transferred, according to the findings of the board and according to the provisions of law as to the length of residence, and each action shall be given a number, starting with the number one (1). The original of the transfer record shall be filed with the judge of probate, which official shall place all names on the lists of qualified electors furnished election officials according to the actions of the board of registrars, provided notice of such action by the board is received at least two weeks prior to the election for which the list is prepared. The voter transfer books required to be maintained by this act shall be purchased by the board at the expense of the county, and such books shall be appropriate in design and composition for their purpose as declared by this act.

Section 15. The board of registrars of Covington County shall be allowed one meeting day for each 300 names on the registration list of the county, exclusive of those which have been stricken, for the purpose of conducting the reidentification of registered voters herein provided to be held periodically. The board shall set the dates of meetings, and the hours of each meeting; provided, however, the board shall be in session at each meeting no less than seven hours. The board may determine the total number of meetings required, not to exceed one per 300 registrants. In all cases, the board of registrars must complete its reidentification meetings within two years from the date registration began in the county and within the calendar year of 1970 and each 10 years thereafter. A notice of the beginning of reidentification and the dates of meetings for reidentification must be published in a newspaper of general circulation in Covington County or be posted at the county courthouse at least three days in advance of any meeting held for that purpose. The number of meeting days for reidentification after the days on which notice is given, must be stated along with each notice of meeting days. Such meeting days shall be in addition to those now required or permitted by law and no registration of persons shall be conducted when the board is in session for the purpose of reidentification. In the event the board of registrars fails to complete the voter reidentification program in the length of time allowed herein, up to 20 additional meeting days may be held, provided, written permission is granted by the court of county commissioners, board of revenue or like governing body of the county.

Section 16. For each day's attendance upon special sessions of the board of registrars under the provisions of this act, the members of the board of registrars of Covington County shall each receive the amount prescribed by law, to be paid and disbursed by the county governing body, but if any such special session is held on the same day a regular session is required to be held under the laws of this state, each registrar shall be entitled to receive only one per diem allowance for one day's service.

Section 17. All persons who have not been stricken from the registration list but who have failed to reidentify themselves by the close of the last meeting of the board for reidentification shall be advertised for striking in the manner provided for advertising names of persons who have become non-residents of the county. A date for hearing shall be set not sooner than twenty (20) days after advertising of the notice of hearing. All persons failing to reidentify themselves and failing to appear on the date specified for hearing and show cause why their names should not be stricken, shall be stricken from the registration lists as non-residents of Covington County.

Section 18. Upon the completion of reidentification, the board of registrars of Covington County shall file in the office of the judge of probate of Covington County, and in its own office, a list of all persons on the registration lists of the county who properly identified themselves and whose application for reidentification was approved; provided they had not been previously stricken, or were reinstated, and provided they were not stricken during the period of reidentification. The full name of each person shall be used, and birth dates shall be given. The person charged with the making of lists of qualified voters to be used in elections shall include thereon only the names appearing on such reidentification list or thereafter reinstated upon the registration list, or added to the registration list, and shall use the names as they appear on the list of reidentified and registered voters. Books containing the names of all persons stricken during the process of reidentification shall be filed with the judge of probate as required by law, and, in addition, a copy shall be filed at the office of the board of registrars.

Section 19. All registered voters of Covington County shall be required henceforth to maintain with the board of registrars of Covington County current mailing addresses and such information as to places of legal residence as may be required by the board of registrars to perform its duties. Following expiration of the time for reporting information as herein provided through reidentification, if any first class mail sent to the address on file with the board of registrars is returned to the board office, or a person fails to respond to inquiry by the board concerning abandonment of residence in Covington County, the board may advertise the name of such person for removal from the list of registered electors as a non-resident, and may proceed to remove the name as otherwise provided by law.

Section 20. Any member of the board of registrars of Covington County who neglects or willfully refuses to perform the duties herein provided in regard to the transfer, striking, and reidentification of persons whose names appear on the list of registered electors of Covington County, and in regard to keeping of records as herein provided, shall be guilty of a misdemeanor and, upon conviction, shall be subject to the same penalties as provided by law for failure or refusal to purge the list of registration.

Section 21. The board of registrars of Covington County shall not hereafter be authorized to conduct a reidentification of registered voters in any manner other than as herein provided and reidentification shall be required to be conducted by the board of registrars of Covington County in 1970 and each 10 years thereafter, in the manner as herein prescribed; provided, however, that only one calendar year shall be used to conduct reidentifications in 1970 and thereafter.

The Speaker of the House then called the House to order.

On motion of Mr. Ashworth the House recessed until 2:30 o'clock this afternoon.

## AFTERNOON SESSION

The hour of 2:30 o'clock P. M. having arrived, the House reconvened.

## RESOLUTIONS

The following resolutions were introduced:

By Messrs. Goodwyn, Adams (Tallapoosa), Camp, Pierce, Grouby, Ashworth, Thomas, Cates, Smith (St. Clair), Copeland, Merrill, Casey, Albea, Gilmer, Hardy, Hain, Nichols, Franklin, Meade, Speaks, Cabiness, Gross, McClendon (Chambers), Jenkins, Nettles, Daniel, Goldthwaite, Boyd, Oakley, Jones (Monroe) and Trimmier:

H. J. R. 75. WHEREAS, for many years much has been said and written about the proposed development of the Alabama-Coosa River System in the States of Alabama and Georgia, and it has been the intent and purpose of the people of our State for a long period of time that the complete development of this great waterway would increase the economy of the river basin of approximately 26,000 square miles, the Southeastern region and the Nation; and

WHEREAS, the Corps of Engineers, U. S. Army, has over the years conducted studies and surveys and has found the development of the Alabama-Coosa River System for navigation and other purposes to be economically justified, and did recommend the initial and ultimate comprehensive plan of development for this great waterway to the Congress of the United States; and

WHEREAS, the 79th Congress by enactment of Public Law 14 approved March 2, 1945, did authorize the development of the Alabama-Coosa River System for navigation, flood control, power, and other purposes, including the initial plan of development of the river system consisting of one navigation and two multiple-purpose dams to be constructed on the Alabama River and one hydro-electric power dam on the Coosa River; and

WHEREAS, the development of the Coosa River for the generation of hydro-electric power has suspended by enactment of Public Law 436 by the 84th Congress to permit a private utility, under certain conditions and requirements of a license later issued by the Federal Power Commission, to develop the Coosa River for hydro-electric power; and

WHEREAS, the President of the United States did on January 6, 1955, in the address on the State of the Union delivered by him to the 84th Congress, specifically mention the Coosa River as complying with the Administration's "Partnership Policy", and did state in the address, quote: "Now, of course, the Federal Government must shoulder its own partnership obligations by undertaking projects of such complexity and size that their success requires Federal development." (End of quote); and

WHEREAS, the authorized projects on the Alabama River section of the waterway are of such size and complexity that in order to maintain the economic feasibility, the development must be accomplished by the Federal Government; and

WHEREAS, during recent years there have been certain restrictions placed on the Corps of Engineers by the Executive Department of the Federal Government that have apparently prevented the Engineers from allocating funds to resume advanced planning of the Millers Ferry multiple-purpose dam, this being scheduled by the Corps of

Engineers as the first of three dams to be constructed on the Alabama River; and

WHEREAS, a further postponement of the development of the river involves a continuing loss in the economic advancement of the States of Alabama and Georgia and the Nation, and further will continue to delay the Federal Government's responsibility in assuming its initial partnership obligations in the ultimate development of the Alabama-Coosa River System from the mouth of the Alabama River to Montgomery, Alabama, then to Gadsden, Alabama, and eventually to Rome, Georgia.

NOW, THEREFORE, BE IT RESOLVED by the House of Representatives of the State of Alabama, the Senate concurring, that the Executive Department, Bureau of the Budget, remove any restrictions on the Corps of Engineers, U. S. Army, in the allocation of funds for development of the authorized projects on the Alabama River; and further, that the Congress of the United States is hereby requested to make available at the Second Session of the 86th Congress an appropriation for the resumption of advanced planning of the Millers Ferry multiple-purpose dam, Alabama River; and further, that the Corps of Engineers allocate funds to be included in the Fiscal Year 1961 Budget for plans on the initial project in the ultimate development of the Alabama-Coosa River System; and further that a copy of this Resolution be forwarded to each Member of the Alabama Congressional Delegation, and that they be urged to exert their every effort to expedite the complete development of the river system, and that they do concentrate their efforts in securing an appropriation from the present Congress during the Second Session that convenes in January, 1960; and further, that a copy of this Resolution be transmitted to the President of the United States, to the Director of the Bureau of the Budget, and to the Chief of Engineers, Corps of Engineers, U. S. Army.

On motion of Mr. Goodwyn the rules were suspended and H. J. R. 75 was adopted.

Also:

By Messrs. Ferguson and Callahan:

H. J. R. 76. WHEREAS, Colonel James P. Clinton, formerly a Colonel on the Staff of Governor James E. Folsom, a native Tuscaloosan, an outstanding leader in the City and in the County of Tuscaloosa, and a member of the County Board of Equalization was stricken by death on Friday, October 9; and

WHEREAS, Colonel Clinton had served for many years as an active member of the fire department of the City of Tuscaloosa, had been State President of the Uniform Fire Fighters Association and had long been active in programs for fire prevention; and

WHEREAS, in addition to his long and faithful services to his native city as an employee, he has contributed much to his fellow citizens by his active interest and participation in numerous religious, civic, patriotic, and philanthropic organizations; and

WHEREAS, Colonel Clinton is particularly outstanding for his participation in the Tuscaloosa Central Labor Union, the Salvation Army, the Alabama State Federation of Labor, and the Uniform Fire Fighters Association; now therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, THE SENATE CONCURRING:

That the Legislature of Alabama hereby expresses its deep regret at the passing of this valuable citizen of Tuscaloosa, whose presence and wise leadership will be sorely missed, and hereby extends sincere sympathy to his wife and family.

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded by the Clerk of the House to the widow and a copy thereof to the Tuscaloosa News at Tuscaloosa.

On motion of Mr. Ferguson the rules were suspended and H. J. R. 76 was adopted.

persons between the ages of fifteen and sixteen years, authorizing such persons to operate motor vehicles under certain prescribed conditions.

Was taken up.

The question was upon the adoption of the amendment reported by the Standing Committee on Judiciary, said committee amendment being as follows:

#### AMENDMENT TO S. B. 41

In Section 1, strike out paragraph (b) entirely and insert the following:

"(b) Any person not less than fifteen but under sixteen years of age may obtain a permit to learn to operate a motor vehicle upon application to the judge of probate of the county in which he or she resides, which permit shall entitle such person to operate a motor vehicle when he or she is accompanied by a parent or his or her legal guardian who is duly licensed in this state as a motor vehicle operator, or when accompanied by a licensed or certified driving instructor, who is actually occupying a seat beside the motor vehicle operator. The application for a learner's permit must be accompanied by payment of a fee of fifty cents, to be distributed as provided in section 61 of this title, as heretofore or hereafter amended; and the age of the applicant must be substantiated by the applicant filing with the judge of probate a certified copy of his or her birth certificate. A permit issued under this subsection shall be in such form as the director of public safety may prescribe; it shall expire on the day after the holder thereof becomes sixteen years of age; and when the holder subsequently applies for a driver license, the certificate thereof shall be prima facie evidence that the permit holder was fifteen years of age or older on the date of its issuance. Such a permit may be suspended or revoked in the same manner and for the same causes as a driver license, and may also be revoked for any violation of the terms and conditions on which it was issued. The judge of probate shall not issue such a permit to any person until the applicant has undergone the same examination that a person applying for a driver license is required by law to undergo, with the exception of the driving test, and has produced a certificate to that effect signed by the proper examining officer."

And the amendment was adopted.

By Mr. Bailey:

H. J. R. 77. RESOLVED BY THE HOUSE OF REPRESENTATIVES, THE SENATE CONCURRING, That the two houses of the Legislature of Alabama notice with great pleasure the fact that the spectacular 6th Annual South Alabama Fair is now underway at the Coliseum in Montgomery, and we warmly commend the members and officers of the Montgomery Kiwanis Club for their club's sponsorship of this splendid function, the profits of which enable the club to contribute enormously to the support of such youth agencies as the YMCA, YWCA, Boy Scouts, Girl Scouts, and many other worthwhile organizations. The South Alabama Fair is noted for its fine exhibits of agricultural and industrial products and activities, for the glitter and glamour of its midway, for the capital entertainment provided by its carnival and shows, and for the relaxation and enjoyment it affords all those who attend. The two houses extend their best wishes for a successful run for the Fair during the week of October 12-17, 1959.

Gentlemen:

I am returning to you, the Body in which this bill originated, House Bill No. 803, with suggested executive amendments as follows:

Amend House Bill No. 803 by striking therefrom the following from Section 2 of said bill:

“(a) Upon every person, firm, or corporation (including the State of Alabama and its Alcoholic Beverage Control Board in the sale of al-

coholic beverages of all kinds, the University of Alabama, and all other institutions of higher learning in the county, whether such institutions be denominational, state, county or municipal institutions, and any association or other agency or instrumentality of such institutions) engaged, or continuing within the county, in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidences of debts or stocks), an amount equal to one per cent (1%) of the gross proceeds of sales of the business, except where a different amount is expressly provided herein; provided, however, that any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such business at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as a retailer on the gross sales of the entire business."

and substituting in lieu thereof the following:

"(a) Upon every person, firm, or corporation (including the University of Alabama, and all other institutions of higher learning in the county, whether such institutions be denominational, state, county or municipal institutions, and any association or other agency or instrumentality of such institutions) engaged, or continuing within the county, in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidences of debts or stocks), an amount equal to one per cent (1%) of the gross proceeds of sales of the business, except where a different amount is expressly provided herein; provided, however, that any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such business at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as a retailer on the gross sales of the entire business."

**Be It Enacted by the Legislature of Alabama:**

Section 1. All words, terms, and phrases that are defined in Act No. 100, H. 94, approved August 18, 1959, effective October 1, 1959, which levies a state sales tax, and in Article 11, Chapter 20, Code of Alabama 1940, as amended, shall, where used in this Act, have the meanings respectively ascribed to them in said Act No. 100 of August 18, 1959, and Article 11 of Chapter 20, Title 51, Code of Alabama 1940, as heretofore amended, except where the context herein clearly indicates a different meaning. In addition, the following words, terms, and phrases where used in this Act shall have the following respective meanings except where the context clearly indicates a different meaning:

"State sales tax statutes" means Act No. 100, H. 94, approved August 18, 1959, effective October 1, 1959, enacted at the Special Session of the Legislature of Alabama that convened June 24, 1959, which levies a retail sales tax for state purposes, and includes all statutes, including amendments to said Act No. 100, heretofore enacted which expressly set forth any exemptions from the computation of the tax levied in said Act No. 100 and all other statutes heretofore enacted which expressly apply to, or purport to affect, the administration of said act and the incidence and collection of the tax imposed therein;

"State sales tax" means the tax imposed by the state sales tax statutes;

"State use tax statutes" means Article 11 of Chapter 20, Title 51, Code of Alabama 1940, as heretofore amended, including all statutes heretofore enacted which expressly set forth any exemptions from the computation of the tax levied in said Article 11 and all other statutes heretofore enacted which expressly apply to, or purport to affect, the administration of the said article and the incidence and collection of the tax imposed therein;

"State use tax" means the tax imposed by the state use tax statutes;

"Registered seller" means the person registered with the state department of revenue pursuant to the state sales tax statutes;

"Month" means the calendar month;

"Quarterly period" means the period of three months ending on the last day of each March, June, September, and December;

"Fiscal year" means the period commencing on October 1 of each calendar year and ending on September 30 of the next succeeding calendar year.

Section 2. Effective on the first day of the month succeeding the month during which this Act becomes a law, there is hereby levied in Franklin County, in addition to all other taxes of every kind now imposed by law, and shall be collected as herein provided, a privilege or license tax against the person on account of the business activities and in the amount to be determined by the application of rates against gross sales, or gross receipts, as the case may be, as follows:

1. Upon every person, firm, or corporation engaged or continuing within Franklin County in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character (not including, however, bonds or other evidence of debt or stocks), an amount equal to one percent of the gross proceeds of sales of the business except where a different amount is expressly provided herein. Any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such businesses at the rates specified, when his books are kept so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as retailer, on the gross sales of the business.

2. Upon every person, firm, or corporation engaged or continuing within Franklin County in the business of conducting or operating places of amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudeville, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games (including athletic contests conducted by or under the auspices of any educational institution, or any athletic association thereof, or other association whether such institution or association be denominational, a state, county, or a city school, or other institution, association, or school), skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement, or entertainment is offered to the public or place or places where an admission fee is charged, including public bathing places, public dance halls of every kind and description, conducted or carried on within Franklin County, an amount equal to one percent of the gross receipts of any such business.

3. Upon every person, firm, or corporation engaged or continuing within Franklin County in the business of selling at retail machines used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, and the parts of such machines, attachments and replacements therefor which are made or manufactured for use on or in the operation of such machines, and which are necessary to the operation of such machines and are customarily so used, an amount equal to one-half of one percent of the gross proceeds of the sale of such machines, attachments, parts and replacements therefor.

4. Upon every person, firm or corporation engaged or continuing within Franklin County in the business of selling at retail any automotive vehicle or truck trailer and semi-trailer, an amount equal to one-half of one percent of the gross proceeds of the sale of said automotive vehicle or truck trailer and semi-trailer. Provided, that where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment of the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less a credit for the used vehicle taken in trade.

There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the state sales tax.

Section 3. An excise tax is hereby imposed on —

(a) The storage, use, or other consumption in Franklin County of tangible personal property purchased at retail, on or after the first day of the month next succeeding the month during which this Act shall become a law, for storage, use or other consumption in Franklin County, at the rate of one percent of the sale price of such property, regardless of whether the retailer is or is not engaged in business in Franklin County or in this state, except as provided in subsections (b) and (c) of this section; and

(b) The storage, use, or other consumption in Franklin County of any new or used automotive vehicle, truck trailer or semi-trailer purchased at retail on or after the first day of the month next succeeding the month during which this Act becomes a law, for storage, use, or other consumption in Franklin County, at the rate of one-half of one percent of the sales price of such automotive vehicle, truck trailer, or semi-trailer. Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the difference of the price of the new or used vehicle sold less a credit for the used vehicle taken in trade; and

(c) The storage, use, or other consumption in Franklin County of any machine used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, including the parts of such machines, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machines, purchased at retail on or after the first day of the month next succeeding the month during which this Act becomes a law, for storage, use, or other consumption in Franklin County, at the rate of one-half of one percent of the sales price of such machine or the parts, attachments, or replacements therefor.

There are exempted, however, from the provisions of this section and the tax imposed in this section the storage, use, or other consumption of property the storage, use, or other consumption of which is presently exempted under the state use tax statutes from the state use tax. Subject to these exemptions, every person storing or using or otherwise consuming in Franklin County tangible personal property purchased at retail shall be liable for the tax imposed by this section, and the liability shall not be extinguished until the tax has been paid by such person as herein provided; provided, however, that a receipt

from a registered seller given pursuant to Section 5 of this Act to the purchaser of any property to be used, stored, or consumed in Franklin County shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

Section 4. The taxes levied in Section 2 of this Act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues; and the taxes levied in Section 3 of this Act shall be due and payable quarterly on or before the twentieth day of the month next succeeding each quarterly period during which the storage, use, or other consumption of the tangible personal property became taxable hereunder, each such quarterly period to end on the last days of each of the months of March, June, September and December. All taxes levied in this Act shall be paid to and collected by the state department of revenue at the same time and along with the collection of the state sales tax and the state use tax. On or prior to the due dates of the taxes herein levied each person subject to such taxes shall file with the state department of revenue a report or return in such form as may be prescribed by the department, setting forth, with respect to all sales and business that are provided in Section 2 hereof to be used as a measurement of the tax levied in said Section 2, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business and setting forth, with respect to the tax levied in Section 3 hereof, the total sales price of all property, the use, storage, or other consumption of which became subject to the tax imposed by said Section 3 during the then preceding quarterly period; provided, however, that said report shall include also such other items of information pertinent to the said taxes in the amount thereof as the state department of revenue may require. Any person subject to the taxes levied in Section 2 hereof may defer reporting credit sales until after their collection, and in the event he so defers reporting them, he shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the taxes due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the governing body of Franklin County, or its designated agent, at reasonable times during business hours.

Section 5. Every registered seller making sales of tangible personal property for storage, use, or other consumption in Franklin County (which storage, use, or other consumption is not herein exempted from the tax imposed in Section 3 hereof) shall at the time of making such sale or, if the storage, use, or other consumption of such tangible personal property in Franklin County is not then taxable under this Act, at the time such storage, use, or other consumption becomes taxable hereunder, collect the tax imposed by Section 2 of this Act from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the state department of revenue. On the twentieth day of the month following the close of each quarterly period provided for in Section 4 hereof, each registered seller shall file with the state department of revenue a return for the preceding quarterly period in such form as may be prescribed by the department, showing the total sales of the tangible personal property sold by such registered seller, the storage, use or other consumption of which became subject to the tax imposed by Section 3 of this Act during the then preceding quarterly period; and each return shall be accompanied by a remittance of the amount of the tax herein required to be collected by such registered seller during the period followed by the return; provided, that any registered seller may defer collecting the tax with respect to credit sales until collection of the proceeds of such sales and

may defer reporting credit sales until after their collection, but shall thereafter collect the said taxes along with collection of said credit sales and shall include in each quarterly report all credit collections made during the preceding quarterly period, and shall omit the taxes with respect thereto at the time of filing such report or return. Any person who has paid to a registered seller the tax with respect to the use, storage, or other consumption of tangible personal property in Franklin County need not file a report or make any further payment of the said tax, but each person who purchases tangible personal property the storage, use, or other consumption of which is subject to the tax imposed by Section 3 of this Act and who has not paid the tax due with respect thereto to a registered seller, shall report and pay the tax as required by Section 4.

Section 6. Each person engaging or continuing within Franklin County in a business subject to the taxes levied in Section 2 of this Act shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said taxes levied in said Section 2; and every registered seller shall likewise add to the sales price and collect from the purchaser the amount of any tax which such registered seller is required by Section 5 hereof to collect. It shall be unlawful for any person subject to the tax levied in said Section 2 to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or person paying the admission fee the amount herein required to be so added to the sales or admission price and collected from the purchaser, and it shall likewise be unlawful for any person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof. It shall likewise be unlawful for any registered seller to fail or refuse to add to the sales price and to collect from the purchaser the amount of the tax imposed by Section 3 of this Act or to refund or offer to refund or absorb, or to advertise directly or indirectly the absorption of, said tax or any portion thereof.

Section 7. The taxes imposed by this Act shall constitute a debt due Franklin County and may be collected by civil suit, in addition to all other methods provided by law and in this Act. The said taxes, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All of the provisions of the revenue laws of this state which apply to the enforcement of liens for license taxes due this state shall apply fully to the collection of the taxes herein levied, and the state department of revenue, for the use and benefit of Franklin County shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that this state or the department has for collection of the state sales tax and the state use tax. The state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the taxes levied by this Act, and to otherwise enforce the provisions of this Act, including any litigation involving this Act; and the department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the taxes collected by it for Franklin County.

Section 8. All provisions of the state sales tax statutes with respect to payment, assessment and collection of the state sales tax, making of monthly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state sales tax statutes, the

promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied in Section 2 hereof, shall apply to the tax levied in the said Section 2; and all provisions of the state use tax statutes with respect to payment, assessment and collection of the State use tax, making quarterly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state use tax statutes, the promulgation of rules and regulations with respect to the state use tax, and the administration and enforcement of the state use tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied in Section 3 hereof, shall apply to the tax levied in the said Section 3. The commissioner of revenue and the state department of revenue shall have and exercise all of the same powers, duties and obligations with respect to the taxes levied in Section 2 and 3 hereof that are imposed on the commissioner and the department, respectively, by the state sales tax statutes and the state use tax statutes. All provisions of the state sales tax statutes and the state use tax statutes that are made applicable in this Act to the taxes herein levied and to the administration of this Act are hereby incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 9. The state department of revenue shall charge Franklin County for collecting said special taxes herein levied a percentage of said taxes to be computed on the basis that the total cost of collecting the state sales and use taxes bears to the total of said state taxes collected for each fiscal year. A proportionate part of such charge may be deducted once each month from the special sales and use taxes collected before certifying the amount of special taxes due Franklin County. The commissioner of revenue shall pay into the state treasury all taxes collected under this Act, as such taxes are received by the department of revenue; and on or before the first day of each successive month (commencing with the month following the month in which the department makes the first collections hereunder), the commissioner shall certify to the state comptroller the amount of taxes collected under the provisions of this Act and paid by him into the state treasury for the benefit of Franklin County during the month immediately preceding the making of such certificate: Provided, however, that before certifying the amount of the taxes paid into the state treasury for the benefit of Franklin County during each month, the commissioner may deduct from the taxes collected in said month the charges due the department for the collection of the taxes for the county. It shall be the duty of the comptroller to issue his warrant each month payable to the custodian of the public school funds of Franklin County, in his official capacity, in an amount equal to three-fourths of the amount so certified by the commissioner of revenue as having been collected for the use of Franklin County, and the remainder shall be paid to the custodian of the public school funds of the City of Russellville.

Section 10. All revenue arising from the taxes herein levied shall be used exclusively for public school purposes within Franklin County.

Section 11. This Act supersedes Act. No. 216, H. 397, approved August 8, 1955 (Acts 1955, vol. I, pp. 523-525); provided, that rights and duties that matured, penalties that were incurred, and proceedings that were begun under said Act No. 216 before the effective date of this Act shall not be affected by this Act.

Section 12. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 13. This Act shall become effective on the first day of the month succeeding the month during which the Act shall be approved by the Governor or shall otherwise become a law.

The owner of any judgment rendered by the court may file in the office of the judge of probate of any county in this State such certificate of judgment issued by the clerk as hereinabove provided, under the same procedure and in the same manner as is now or may hereafter be provided for filing certificates of judgments rendered by the circuit courts of this State; and when so filed such judgments shall be a lien in the county where filed on all property of the defendant which is subject to levy and sale under execution. The filing of such certificate of judgment shall be notice to all persons of the existence of the lien thereby created. The lien shall continue for ten years from the date of the judgment and no insolvency proceedings or declaration of insolvency shall affect or impair the lien, except bankruptcy proceedings instituted within four months after the filing of the certificate, provided by law. Executions may be issued at any time within ten years from the date of the judgment, whether execution has been previously issued or not. The clerk of the court, before entering into the duties of his office, shall give bond in such penal sum as may be prescribed by the court of county commissioners of Tallapoosa County, Alabama, payable and conditioned as are official bonds required of clerks of the circuit courts, to be taken and approved by the judge of probate of Tallapoosa County, and recorded in the probate office of Tallapoosa County, Alabama, and upon the bonds there shall be the same liabilities and remedies as upon bonds of the clerks of the circuit court of this State. The premium on the bond or bonds shall be paid out of the general fund of the county. The clerk shall receive the

same fees, allowances, commissions and costs as are now allowed by law to clerks of the circuit courts of this State, as his compensation. The clerk shall receive a fee of one dollar for each writ of arrest issued by him, to be taxed and collected as other costs are taxed and collected.

Section 7. The sheriff of Tallapoosa County shall, in person, or by deputy, be required to attend upon the court and to preserve order and execute all writs or process issued therefrom, and to perform such other duties in all respects as he is required by law to perform in the circuit court of Tallapoosa County; and for such services of attending the court the sheriff shall receive the sum of six dollars per day payable out of the general fund on warrant of the probate judge; and for all services rendered by him, other than attendance upon the court hereinabove provided for, he shall receive the same costs and fees as are allowed by law for similar services performed and done in the circuit courts.

Section 8. The deputy solicitor for Tallapoosa County shall prosecute for the State all criminal cases in the court created by this act. The salary of the deputy solicitor for Tallapoosa County shall be the salary now provided, or which may hereafter be provided, by the general laws of this State for deputy solicitors in counties where circuit or county court is held at more than one place in the county, to be paid out of the general fund of the county, in equal monthly installments on the warrant of the probate judge. Such warrants shall be preferred claims against the general fund.

Section 9. The court, at the discretion of the judge, shall be open any day during the week, except Sunday, for the trial of cases coming within the jurisdiction of the court. However, on one day of each week there shall be held a session of the court in the town of Alexander City, on two days of each month there shall be held a session of the court in the town of Dadeville, and on two days of each month there shall be held a session of the court in the town of Carrville, in order to facilitate the handling, trial and disposition of cases arising in those places and the surrounding areas. And in the aforesaid Courts held in Alexander City shall be tried all actions within the jurisdiction of this Court which arise on the west side of the Tallapoosa River in Tallapoosa County, Alabama; and in the aforesaid Courts held in Carrville shall be tried all actions within the jurisdiction of this Court which arise in Beats 10, 12 and 13 in Tallapoosa County, Alabama; and in the aforesaid Courts held in Dadeville shall be tried all actions within the jurisdiction of this Court which arise on the east side of the Tallapoosa River in Tallapoosa County, except those arising in Beats 10, 12 and 13 in Tallapoosa County.

Section 10.a All prosecutions or misdemeanors may be instituted in the Court by making affidavit before the deputy solicitor or the sheriff, and the writ on the affidavit shall be issued by the clerk; and in all preliminary proceedings in prosecutions for felonies begun in the court the same may be instituted by affidavit before the deputy solicitor or the sheriff, and the writ thereon shall be issued by the judge or the clerk. When the defendant is arrested on affidavit and warrant charging a misdemeanor the case shall go to the docket for trial and be tried as though the defendant has been indicted by a grand jury, except as hereinafter provided. The defendant shall not be put upon trial in any cause within five days of his arrest, except with his consent. The judge of the court shall have the right and authority to issue all processes returnable into his court that are not especially provided to be issued by the clerk of the court, but he shall not prepare any summons and complaints, garnishments, detinue attachments, papers or other rights of processes issuing out of the court.

b. All warrants issued in Tallapoosa County for misdemeanors for violations of the rules of the road and other misdemeanors defined or provided for in the Code of Alabama, 1940, Title 36, shall be returnable to the court of Common Pleas and shall be there tried. In each rule of the road case docketed there shall be imposed and collected as other costs in said case a docketing tax of two dollars (\$2.00), which shall be paid into the county treasury.

Section 11. The clerk of the court may appoint a deputy or deputies of the court, who shall hold office at the will of the clerk and receive such portion of the fees in this act provided for the clerk as the clerk of the court may designate. Any such deputy so appointed by the clerk shall have the right in the name of the clerk to file papers and to do all things herein provided to be done by the clerk.

Section 12. All criminal cases in the court shall be tried by the judge thereof without a jury, and the accused shall not have the right to demand a trial by jury, but in all trials of criminal cases in the court, the judge shall determine both the law and the facts without the intervention of a jury, and in cases of conviction the defendant shall have the right to appeal to the circuit court as provided for in Section 326 of Title 13 of the Code of Alabama (1940), except that appeal bonds shall be approved by the clerk of the court, and a jury trial may there be had on the demand of the defendant, made at the time of taking the appeal.

Section 13. A party aggrieved or desiring to bring a charge of misdemeanor before this court may make affidavit in writing, before the deputy solicitor or the sheriff, that he has probable cause for believing and does believe that an offense (designate the misdemeanor by name, or by some other phrase which in common parlance designates it) has been committed on the person, or property, or as the case may be, of A. B. (naming the person injured, or as the case may be). Upon application to the judge or the clerk for a warrant of arrest, the judge or clerk of the court shall examine the affiant under oath, and other witnesses if he so desires, touching the offense charged in the affidavit, and if the judge or clerk has probable cause for believing that the offense alleged in the affidavit has been committed he shall issue his warrant of arrest as hereinabove provided. When there is an objection to the validity or sufficiency of any affidavit, complaint, or warrant pending in this court or when a defect appears in any of same the solicitor or other person prosecuting for the State, shall have the right to amend any or all of the papers to which the objection is directed, or where such defect appears; or the solicitor may instead of amending the papers, make a brief statement of the cause of complaint signed by him, which may be substantially in the form provided in Section 259 of Title 15 of the Code of Alabama (1940), and may be amended as herein provided. Thereupon the court shall proceed to try the case either upon the original papers, or the original as amended, or upon the statement or statements filed by the solicitor or other person prosecuting for the State.

Section 14. All proceedings in the court as to judgment for fine and costs, confession of judgment and executions thereon, sentence to jail and—or hard labor for fines and costs and as additional punishment, bail, conditional judgments, forfeitures, judgments, final and alias warrants of arrest, shall be the same in the Court of Common Pleas of Tallapoosa County as are now, or may hereafter be, provided for by law in the circuit courts; and conditional judgments may be set aside therein, reduced or made absolute, and the same orders and

judgments may be made and taken in such matters as could be made or taken in the circuit courts; and the same procedure shall be followed, except as otherwise provided by this act.

Section 15. The trial of all criminal appeals from this court in the circuit court shall be de novo, and without any indictment or presentment by the grand jury; but the solicitor shall make a brief statement of the cause of complaint signed by him, in substantially the form prescribed by Section 259 of Title 15 of the Code of Alabama (1940) or the trial may proceed upon the original affidavit or complaint; on the trial of such appeal the court shall be governed by the same rules as to evidence, practice, find of the jury, and punishment as if the case had originated in that court.

Section 16. All general laws relating to misdemeanors, now in force or that may hereafter be enacted, shall apply to and extend to this court, unless the contrary be expressly provided or limited by the law so enacted.

Section 17. In all civil actions in this court, the pleadings and process and the time for filing pleadings shall conform to and be governed by the statute and rules obtaining in the circuit court of Tallapoosa County, Alabama, except the issuance, levy and collection of executions from this court shall be controlled by the laws now applicable to justice courts of this State.

Section 18. In all civil matters in this court the trial shall in all respects be governed by the same rule of pleading, evidence, procedure and practice as now prevail or govern in the circuit courts of this State except as hereinafter provided. A party litigant after being served with statutory interrogatories shall be required to answer the interrogatories within thirty days, and upon his failure to do so shall be subject to the same pains and penalties as are now provided by law for failure to answer interrogatories propounded in the circuit court. Any party desiring to appeal from any judgment rendered in this court, except from judgments for the possession of real estate, may give security for the cost of the appeal in the form of an appeal bond in an amount to be fixed and approved by the clerk; provided that if the party appealing desires to have the judgment superseded, when the judgment is for the payment of money or for the recovery or possession of personal property he may do so by giving a supersedeas bond with good and sufficient security and surety in such an amount as herein provided payable to the adverse party and approved by the clerk with the condition that if he fail in the appeal he will pay such judgment as the circuit court may render in the premises and all such cost and damages as any party aggrieved may sustain by reason of the wrongful appeal and suspension of the execution of the judgment, which appeal bond and security or surety for court cost and supersedeas bonds must be filed with and approved by the clerk within ten days from the date of the rendition of said judgment. The supersedeas bond shall be in an amount double the amount of the judgment and costs of court, if for a judgment for the payment of money; and in an amount double the value of the personal property recovered in the suit and court costs, if for a judgment for the recovery of or possession of personal property. Any party desiring to appeal from any judgment rendered in this court for the possession of real estate may do so and the appeal shall be governed in all respects, including time allowed within which to take the appeal, amount and condition of appeal bond, and in all other respects, by the general laws of this State relating to appeals in such cases from judgments of justice of the peace courts. Notice of all appeals in civil cases from this court shall

be given the adverse party in such manner and for such time as is prescribed by the general laws of this State relating to notice of appeals from judgments rendered in justice of the peace courts.

Section 19. All civil cases in this court shall be tried by the judge of the court without the intervention of a jury, the judge shall determine both the law and the facts; and either party shall have the right to appeal to the circuit court as hereinabove provided, and on appeal either party may demand a trial by jury on the trial in the circuit court, and the trial in the circuit court shall be de novo.

Section 20. Final judgments rendered in civil causes in such court shall after the expiration of ten days from their rendition be taken and deemed to have passed beyond the control of the court, as if such term of the court at which said judgments were rendered had ended, provided, however, that nothing herein contained shall prevent the parties from filing a motion to vacate, set aside or modify such judgment or grant a new trial or rehearing within ten days or change or destroy the office of motion for a new trial or rehearing, when so made. Such motion shall be filed with clerk of the court and called to the attention of the court, and the court may thereupon hear the motion or make an order continuing the motion or hearing at a future day, which motion shall be heard and determined within thirty days from the date of rendering the judgment.

Section 21. The judge of this court shall have the power to impose fines and sentence to hard labor upon convictions in misdemeanor cases, and to punish for contempt by fine not to exceed, \$50.00, and imprisonment in the county jail not to exceed five days, either or both, the same as judges of the circuit courts of this State. The judge of this court shall also have power to issue, hear, and determine writs of habeas corpus; and the procedure, practice, and rules of the circuit courts of Alabama relating to such writs as are now, or which hereafter may be, provided by law, shall prevail in the Court of Common Pleas of Tallapoosa County. The judge shall have the same power relating to such writs as is now, or hereafter may be, conferred upon the judges of the circuit courts of Alabama; and such power shall extend to all cases where the judges of the circuit courts have authority to issue such writs.

Section 22. The judge of the court shall keep an office in the court house of the county, or in such other suitable place in Tallapoosa County as the court of county commissioners may provide; and it shall be the duty of the court of county commissioners to provide an office for the judge, and to furnish and supply the office with the necessary fixtures, stationary, stamps, telephone, lights, heat, and other necessary supplies for the judge of this court; and it shall be the duty of the court of county commissioners and they are hereby directed and authorized, to supply the clerk of the court the necessary minute books, dockets, blank forms, record books and such other books, records and blank forms as are reasonably necessary to the dispatch of the business of this court.

Section 23. The County Court of Tallapoosa County is hereby abolished.

Section 24. All cases and causes now pending in the county court and the juvenile court of Tallapoosa County, and all cases of desertion and non-support and all cases involving domestic relations pending in the probate court, together with the records pertaining to such pending cases, are hereby transferred to the Court of Common Pleas of Tallapoosa County, and the Court of Common Pleas of Tallapoosa County,

shall, immediately upon the passage and approval of this act or upon its otherwise becoming a law, assume complete jurisdiction over all of such pending cases, and shall have the same power and control over the same as if they had been originally filed in the Court of Common Pleas of Tallapoosa County, and the clerk of this court shall enter on the appropriate dockets of this court all cases now pending in the county court and the juvenile court of Tallapoosa County, and all cases of desertion and non support and all cases involving domestic relations pending in the probate court. And all judgments heretofore rendered by such courts in the cases hereinabove provided shall be the same and shall have the same force and effect as if they had been rendered by the Court of Common Pleas of Tallapoosa County, and the Court of Common Pleas of Tallapoosa County shall have the same power and control over such judgments and shall issue executions thereon and all other appropriate processes thereon the same and as fully and completely as if such judgments had been originally rendered in the Court of Common Pleas of Tallapoosa County; all of such executions and other processes issued on such judgments heretofore rendered by such courts shall be issued by the clerk of the Court of Common Pleas of Tallapoosa County.

Section 25. If, for any reason, any section, clause, or provision of this act, shall be declared to be invalid or unconstitutional it shall not be held to affect any other section, clause or provision, but the same shall remain in full force and effect.

Section 26. All laws and parts of laws, whether local, general, or special, in so far as they conflict with the provisions of this act are hereby repealed.

Section 27. This act shall take effect immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Should the solicitor, for any reason be absent or temporarily unable to perform the duties hereby imposed on him, the judge may appoint a special deputy solicitor to represent the State in those cases in which such a solicitor is needed. A special deputy solicitor shall receive five dollars (\$5.00) for each day or fraction thereof on which he performs any of the duties of such office.

The person elected and currently serving as solicitor for the Law and Equity Court, created by Act No. 404, H. 808, approved September 28, 1923 (Local Acts of Alabama, 1923, page 272), which is abolished by this Act, shall be the first solicitor of and for the Franklin County Law and Equity Court hereby established; and he shall serve as such solicitor until the expiration of the term for which he was elected solicitor of the abolished court and until his successor has been elected. At the general election next prior to the expiration of his term, and every four years thereafter, a solicitor of and for the court hereby established shall be elected by the qualified electors of Franklin County for a four year term, beginning on the first Tuesday after the second Monday in January following his election.

The solicitor shall not defend any person charged with a criminal offense in any court of Franklin County during the time that he holds the office of solicitor of the court hereby established.

Section 8. The court shall be held at the courthouse of Franklin County, and shall be open at all times for the trial of cases and the transaction of business. In case of sickness or disqualification of the judge of said court, the law applicable to the appointment and service of special judges in the circuit courts shall apply. The judge of the court shall be subject to the same penalties for failure to attend upon the court as circuit judges of this State. The judge of the court shall keep an office in the courthouse of Franklin County or at such other suitable place as the board of revenue, court of county commissioners, or other governing body of the county provides. The county governing body shall also provide the furnishings, fixtures, stationary, and other supplies needed by the judge in the performance of his duties and for the proper functioning of the court.

Section 9. The judge of this court may determine and fix the time for holding the sessions of the court for the trial of all cases, civil, criminal or equity.

Section 10. Each and every indictment returned by a grand jury of Franklin County, against persons charged with the commission of a misdemeanor, shall, immediately after this Act becomes law, be transferred by the clerk of the circuit court to the Franklin County Law and Equity Court. Thereupon the jurisdiction of this court shall attach to said cause, and the jurisdiction of the circuit court therein shall cease. The clerk shall immediately issue capiases against the parties so charged with a misdemeanor, returnable to the Franklin County Law and Equity Court.

Section 11. Any criminal case or any civil case, in law or in equity, now pending, or hereafter commenced in the circuit court of Franklin County may, by agreement of the parties thereto, be transferred from the circuit court to the court hereby established, and further proceedings therein shall be had as if such suit, action or proceeding had been instituted in the latter court.

Section 12. The sheriff of Franklin County shall in person, or by deputy, or deputies, appointed by him subject to approval by the judge of the court, be required to attend upon the court established by this Act and preserve order. He shall execute all writs of process, and perform such other duties in this court in all respects as in the circuit courts of this State. For his services in attending this court the sheriff or his deputies shall not receive any compensation; however, he shall receive the same fees for executing the processes of this court as provided for by law for the execution of similar processes in the circuit court or in the courts of justices of the peace, and such fees shall be collected in the same manner as is now, or may hereafter be, provided by law.

Section 13. The procedure, practice and rules governing the circuit courts of Alabama shall in all things apply to and govern the procedure and practice in the court established by this Act, except as herein otherwise provided.

Section 14. The judge of the court shall adopt a seal for the law side of the court, which shall be kept in the custody and control of the clerk of said court. He shall also adopt a seal for the equity side of the court, and this seal shall be kept in the custody and control of the register of the court.

Section 15. In all civil causes at law in this court the issue and question of fact shall be tried by the judge of the court without the intervention of a jury, unless a jury trial be demanded in writing by

the plaintiff at the commencement of the suit, or by the defendant or any other party occupying the position of defendant within thirty days after the perfection of service on him. If the plaintiff desires a trial by jury he shall endorse in writing his demand therefor on the summons and complaint, attachment or other process, or paper filed by him for the purpose of instituting the suit, or he may file a separate written demand therefore with the clerk of the court at the commencement of the suit. If the defendant or other person occupying the position of defendant desires a trial by jury, he shall, within thirty days after the perfection of service on him, endorse demand therefor upon his initial pleading or within such time file such demand in the form of a separate written instrument.

In all causes in this court brought by appeal or certiorari from judgments of justices of the peace or other inferior courts, the issue and questions of fact shall be tried by the judge of the court without the intervention of a jury, unless a demand for a trial by jury be made in writing and filed in the cause by the party appealing or petitioning for certiorari within ten days after taking the appeal or petitioning for certiorari or by the opposite party within ten days after he has been served with notice of the appeal or certiorari. The failure to demand in writing a jury trial as herein provided shall be deemed and held a waiver of the right of a trial by jury. A demand for a trial by jury shall not be withdrawn without the consent of the opposite party.

Section 16. The issue and questions of fact in all criminal causes in this court, unless a jury trial is mandatory under the general law, shall be tried by the judge of the court without the intervention of a jury, except when a trial by jury is demanded in writing by the defendant, and such written demand filed with the clerk of the court on or before the first sounding of the cause, if the cause is sounded within thirty days after the indictment and arrest of the defendant, or, if the cause is brought to this court by appeal, within thirty days after the defendant has appealed. If such cause is not sounded within thirty days after the defendant has appealed or been indicted and arrested or taken into custody, then such written demand must be filed with the clerk within thirty days after the defendant has appealed or been indicted and arrested or taken into custody. A failure to demand in writing a trial by jury as herein provided shall be held and deemed to be a waiver by the defendant of the right to a trial by jury.

Section 17. Either party to a civil cause or the defendant in a criminal cause on appeal from a judgment of this court without a jury may, in his assignment of errors, present for review the conclusions and judgement of this court on the evidence; and the Court of Appeals or the Supreme Court shall review the same without any presumption in favor of the court below. If there be error the appellate court shall render such judgment in the cause as the court below should have rendered, or reverse and remand the same for such further proceedings in the lower court as the Court of Appeals or the Supreme Court may deem right.

Section 18. The judge of the court shall draw the petit jurors, for the trial of those cases in which a jury has been demanded in said court, in the same way and manner prescribed by law for drawing petit juries in cases to be tried before a jury in the several circuit courts of Alabama.

Section 19. Prosecutions for misdemeanors committed in Franklin County may be instituted in this court by making an affidavit before the judge or clerk of the court. The writ on said affidavit shall be is-

sued by the clerk of the court, and when the defendant is arrested on the affidavit, the case shall go on the docket for trial and be tried as though the defendant had been indicted by a grand jury.

Section 20. The judge of the court shall have power to issue search warrants, writs of habeas corpus, prohibition certiorari, quo warranto, and all other special and extraordinary writs.

Section 21. It shall be the duty of the clerk of the court to keep a record upon which shall be recorded all affidavits made before the judge or clerk of the court, and if any of said affidavits should be lost or destroyed, a certified copy of this record shall be used the same as if the defendant had been indicted, and for recording each of these affidavits the clerk shall receive a fee of twenty-five cents to be taxed as costs in case the defendant is convicted.

Section 22. The Supreme Court and Court of Appeals of this State shall have appellate and supervisory jurisdiction over the court, hereby established, and the judge thereof, which may be exercised in the same manner that such jurisdiction may be exercised over the circuit courts of the State and the judges thereof; and appeals may be taken from the orders and judgments of this court to the Supreme Court and to the Court of Appeals in the same manner, and within the same time, as appeals are now taken from the orders and judgments of the circuit courts of the State.

Section 23. The venue in any case in this court shall be changed to another county under the same orders and regulations that govern changes of venue in circuit courts.

Section 24. Witnesses attending upon the court, hereby established, shall be entitled to, and shall be paid, the same fees as witnesses in the circuit courts of Franklin County, Alabama.

Section 25. The judge of this court shall secure the services of a competent shorthand reporter to attend the sittings and terms of this court and to perform the duties of an official court reporter in all the cases tried herein. During the time he is actually engaged in said reporting and in transcribing reports of cases for the court or for the attorney's the reporter is an officer of this court. He shall receive a salary of two thousand one hundred dollars per annum, payable in twelve equal installments at the end of each month from the county general fund on the warrant of the presiding officer of the county governing body upon certification by the judge of this court, that the service has been rendered by the reporter. The judge may remove the reporter from office at his pleasure. In addition to the compensation herein provided for the reporter he shall be entitled to tax and collect from the litigant or his attorneys for whom he is making a transcript of the evidence the sum of fifteen cents per hundred words for the original copy of the transcript, and five cents per hundred words for each carbon copy thereof. When any such transcript is made by the reporter he must append thereto a certificate attesting to the correctness of the same as such official reporter.

Section 26. In all cases in this court which are reported by such reporter there shall be taxed and collected as a part of the costs of the case a fee of \$3.00 for each day or fraction thereof, that such reporter is engaged in reporting the case. This fee shall be collected and paid by the clerk into the treasury of Franklin County.

Section 27. When any litigant desires to appeal a case tried in this court, he or his attorney shall give written notice to the judge of

this court, to the opposite party in the suit or his attorney, and to the court reporter who reported the trial of the cause, that he desires to and is appealing the cause. Thereupon the court reporter shall immediately transcribe in full on transcript paper, making an original and two carbon copies thereof, all of the proceedings in the cause. The transcript, with his official certificate appended thereto shall be filed with the clerk of this court; and the reporter shall give written notice to the parties to the cause, or to their attorneys of record, and to the trial judge that the transcript of the evidence and proceedings has been filed with the clerk of the court.

When so filed the transcript shall constitute a part of the record of the cause. If either party to the cause being appealed is of the opinion that the reporter's transcript of the evidence and proceedings is incorrect, he shall immediately in writing notify the opposite party, or his attorney of record, and the trial judge of this fact, and state the corrections which he thinks should be made in the transcript. Thereupon the trial judge shall hear the parties to this cause or their attorneys and shall pass upon such objections and suggested corrections. The transcript as corrected and approved by the trial judge shall be filed with the clerk of the court who shall immediately proceed to prepare the transcript of the cause for transmission to the appellate court as now provided by law. If a litigant who files objections to a reporter's transcript of the evidence and other proceedings is still dissatisfied with the same after it has been approved by the trial judge, he shall in an assignment of errors present his objections for review in the appellate court in the manner provided by law.

Section 28. If an appeal is sought from a judgment in this court in a cause which was reported by a reporter who afterward dies or is otherwise inaccessible or unable to make and file a transcript of the evidence and proceedings in said cause, then the party appealing may prepare and file with the clerk of this court, what in his opinion, is a correct record or transcript of the proceedings in the cause. He shall notify the trial judge and the opposing party, or his attorney of record, that he has filed such a record or transcript. Thereupon said parties or their attorneys, together with the trial judge, shall have a hearing, and if possible, agree upon the record. If they cannot agree the judge shall file such record of the cause as in his opinion is correct, and such record shall constitute the record of the cause; provided, however, nothing herein shall prevent a review and further correction thereof by the Supreme Court or Court of Appeals in the manner provided by law.

Section 29. The clerk and the register with the approval of the judge of the court are hereby authorized to purchase all necessary furnishings, records, stationery, and supplies for the equipment and maintenance of said court; and the cost thereof shall be paid out of the county treasury, in the same way and manner as is now, or may hereafter be, provided by law for paying for similar furnishings, records, stationery and supplies for the circuit courts of Alabama.

Section 30. On convictions, the same solicitor's fee shall be taxed against the defendant and collected in the same way as provided by law for the taxing and collecting of solicitor's fees in the circuit courts of Alabama; and when collected such fees shall be paid into the treasury of Franklin County, Alabama.

Section 31. Grand juries shall not be drawn, empanelled or organized by this court.

TO BE ENTITLED  
AN ACT

STATE OF ALABAMA  
COUNTY OF MADISON

NOTICE is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

AN ACT

Relating to the management of the public records of Madison County; providing for the photographing or microphotographing of such public records and for the admissibility in evidence of photographed or microphotographed copies of records required to be kept by public officers of Madison County, and for payment of the costs incurred in the purchase of photographic or microphotographic equipment; creating a county records commission to regulate the destruction or disposal of such public records; and providing for establishment of a county records custodian and reproduction department.

Be It Enacted by the Legislature of Alabama:

Section 1. The court of county commissioners, board of revenue, or other like governing body of Madison County may require any record, document, plat, court file, book, map, paper, or writing made, acquired, or received as required by law by any official of Madison County to be photographed or microphotographed, on plate or film. Such photographs, microfilms, or prints made therefrom, when duly authenticated by the custodian thereof, shall have the same force and effect at law as the original record, or of a record made by any other legally authorized means, and may be offered in like manner and shall be received in evidence in any court where such original record, or record made by other legally authorized means, could have been so introduced and received. In like manner, reproductions made from such records by photographic or like process, when otherwise in compliance with applicable statutes, rules and regulations, shall be received and treated in any court of this State as fully as would a transcription or reproduction of such records made by any other means or process.

Section 2. The court or board is authorized to charge to any office, court, board, institution, department or agency of the county the cost of photographing or microphotographing of public records belonging to that office, court, board, institution, department, or agency, by the charging of the cost of such work to that office, court, board, institution, department or agency's appropriation from the county budget.

Section 3. The court or board may from time to time appropriate amounts out of the general fund of the county sufficient to pay the cost of photographing or microphotographing the public records belonging to the county, and may from time to time appropriate amounts sufficient to purchase necessary photographic or microphotographic equipment, materials and supplies therefor.

Section 4. There is hereby created a county records commission consisting of ten members as follows: The director of the State Department of Archives and History, who shall be the chairman of the commission; the chief examiner of the State Department of Examiners of Public Accounts; one member from the University of Alabama who shall be designated by the head of the Department of History; one member from the Alabama Polytechnic Institute who shall be designated by the head of the Department of History; the Madison County Probate Judge; the register of the circuit court of Madison County; the Madison County circuit court clerk; the Madison County tax assessor; the clerk of the board of county commissioners of Madison County, who shall be secretary of the commission; and one member from the local historical association, if organized, who shall be designated by the president of the historical association. Any of the members of this commission may delegate to another the duty of attending meetings and the power to act in his behalf. The commission shall meet at least once each fiscal year.

Section 5. The county records commission shall be charged with the responsibility of determining which county records shall be permanently preserved because of their historical value, and which records may be destroyed or otherwise disposed of after they have been microfilmed. The commission shall classify the different types of records accordingly. No county official shall cause any county records to be destroyed or otherwise disposed of without first obtaining the approval of the county records commission. In lieu of destruction of records approved to be destroyed by the commission, such records may be offered first to the State Department of Archives and History, and if not desired by said department, may be offered to the local historical association, library or museum. The Madison County board of commissioners, however, is authorized to expend the general funds of the county to build or lease a suit-

able building to retain old records authorized to be destroyed, in their discretion.

Section 6. No county official or employee shall destroy, dispose of, or cause to be destroyed or disposed of, any public record that has been microfilmed under the provisions of this act until the records custodian has certified that the microfilm copy has been processed and checked for clarity.

Section 7. The county records commission is hereby empowered to conduct surveys of public records in carrying out the provisions of this act. The commission shall from time to time issue regulations classifying all public records, and prescribe the period for which records of each class shall be retained, either permanently or for a specified number of years. Such regulations may from time to time be amended or repealed. Prior to issuing such regulations, the commission shall consider:

(1) Actions at law and administrative proceedings in which the production of public records might be necessary or desirable;

(2) State and federal statutes of limitation applicable to such actions or proceedings;

(3) The availability of information contained in public records from other sources;

On page 1, in Section 1, paragraph (d), strike out all the words and figures after the first sentence and insert the following:

The term 'wholesale sale' shall include a sale of tangible personal property or products (including iron ore) to a manufacturer or compounder which enters into and becomes an ingredient or component part of the tangible personal property or products which he manufactures or compounds for sale, and the furnished container and label thereof. The terms 'wholesale sale' or 'sale at wholesale' shall also include a sale of containers intended for one-time use only, and the labels thereof, when such containers are sold without contents to persons who sell or furnish such containers along with the contents placed therein for sale by such persons. Moreover, such terms include a sale to a manufacturer or compounder, of crowns, caps, and tops employed and used upon the containers in which he markets his products; but such terms do not include a sale of re-usable containers which in the usual and ordinary course and manner of doing business are repurchased or otherwise recovered for re-use.

A BILL

AN ACT

To amend further Section 154 of Title 8, Code of Alabama 1940 providing for licensing the use of seines, trawls, and other devices to catch salt water shrimp, in relation to the use of trawls.

Be it Enacted by the Legislature of Alabama:

Section 1. Code of Alabama 1940, Title 8, Section 154, as amended by an act approved September 17, 1953, is amended further to read as follows:

"Section 154. It shall be unlawful for any person, firm, or corporation to catch or attempt to catch any salt water shrimp by the use of any trawl, seine or other device, except castnets, unless an annual license fee due and payable on or before the opening date of the season as set by the director of conservation in each and every year at the rate herein provided be paid; and the annual license shall be at all times in the possession of the party or parties operating same for the purpose of taking salt water shrimp, such license to be issued by the department of conservation, and the proceeds thereof to be placed to the credit of the seafoods fund. The following license

Only one trawl may be operated from each boat and no trawl in excess of fifty (50) feet in length shall be used on that portion of Alabama waters lying north of a line running east and west from the Florida line along the shore at Gulf Shores to Fort Morgan, thence from Fort Morgan Light to the east end of Dauphin Island along the south shore of Dauphin Island westward to the west end of Dauphin Island, thence westward along a line extending from the west end of Dauphin Island to the east end of Petit Bois Island. Any person using seines or trawls of sixteen (16) feet or less may catch or attempt to catch salt water shrimp for non-commercial purposes in an amount not to exceed fifteen (15) pounds at any time. Nothing herein contained shall be construed as preventing the taking of shrimp for bait at any time by duly licensed live shrimp bait catchers."

Section 2. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

And the substitute was adopted.

And the Bill:

H. 468. To amend further an act approved August 15, 1947 (Act No. 322, H. 97, General Acts 1947, p. 211) relating to permits and licenses for taking or catching live shrimp for use or sale as bait.

Was taken up.

Mr. Cornett offered the following substitute for the bill, H. 468:

A BILL  
TO BE ENTITLED  
AN ACT

To amend further an act approved August 15, 1947 (Act No. 322, H. 97, General Acts 1947, p. 211) relating to permits and licenses for taking or catching live shrimp for use or sale as bait.

Be It Enacted by the Legislature of Alabama:

Section 1. Sections 2 and 3 of an act approved August 15, 1947 (Act No. 322, H. 97, General Acts 1947, p. 211) entitled, "An Act To permit the catching of shrimp for use as bait during the closed seasons; to prescribe regulations under which such shrimp may be taken; to provide for the licensing of persons selling or offering for sale such shrimp; and to provide penalties for the violation thereof" are hereby amended to read as follows:

"Section 2. Such shrimp shall be taken or caught solely for bait. They shall not be taken or caught by use of any net or trawl having a width greater than sixteen feet; and no more than one net or trawl shall be used on or operated from any boat; nor shall such shrimp be taken or caught or be kept in possession at any time in quantities greater than five pounds for each person on or in any boat; regardless of the number of such persons, or fifteen pounds for each boat, whichever is the lesser. Such shrimp shall not be sold, exchanged, bartered or otherwise disposed of for any purpose whatsoever except as provided hereinafter.

"Section 3. Such shrimp may be sold alive or with heads attached only, and shall be sold only at licensed bait stores, stands or shops, or at licensed business establishments, by persons who have previously purchased from the department of conservation a live shrimp dealers license and have paid therefor a fee of fifty (50) dollars, and have also purchased a license to take live shrimp for sale as bait and have paid therefor a fee of twenty-five (25) dollars for each boat operated by said dealer, for the taking or catching of shrimp for use as bait.

The department shall issue bona fide applicants such licenses on a yearly basis only. It shall be unlawful for any person other than a person duly licensed as provided herein to sell, offer to sell, barter or exchange or otherwise dispose of live shrimp. Each duly authorized licensee shall display in a prominent place on each vessel used for above operations two license tags, furnished by the department of conservation at the time of the purchase of the license for subject boats. The provisions of Section 2 of this act limiting the quantity of live shrimp which may be legally caught or taken shall not apply to persons holding valid licenses as required by this section."

Section 2. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 3. This Act does not affect rights and duties that matured, penalties that were incurred, and proceedings that were begun before its effective date.

And the substitute was adopted.

**Be It Enacted by the Legislature of Alabama:**

Section 1. Section 1 of Act No. 68 adopted at the 1957 Regular Session of the Legislature of Alabama is hereby amended to read as follows:

"Section 1. In Limestone County there is hereby levied, in addition to all other taxes of every kind now imposed by law, and shall be collected as herein provided, special county privilege or license taxes and excise taxes paralleling, with like provisions in the county, such state taxes as are levied by the State of Alabama by Act No. 100 adopted at the 1959 Second special Session of the Legislature of Alabama and Article 11 of Chapter 20 of Title 51 of the Code of Alabama of 1940, as said article had been last amended on September 1, 1959, and as it existed on said date, in an amount equal to thirty-three and one-third per cent of the state levy, as follows:

"(1) A privilege or license tax against the person on account of the business activities and in the amount to be determined by the application of rates against the gross sales, or gross receipts, as the case may be, as follows:

"(a) Upon every person, firm or corporation (including the State of Alabama, the University of Alabama, Alabama Polytechnic Institute and all other institutions of higher learning in the state, whether such institutions be denominational state, county or municipal institutions, and any association or other agency or instrumentality of such institutions) engaged, or continuing within Limestone County in business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character, (not including, however, bonds or other evidences of debts or stocks), an amount equal to one per cent of the gross proceeds of sales of the business except where a different amount is expressly provided herein. Provided, however, that any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such business at the rates specified, when his books are kept as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as a retailer, on the gross sales of the business.

(b) Upon every person, firm or corporation engaged, or continuing within Limestone County, in the business of conducting or operating, places of amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudeville, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games, (including athletic contests conducted by or under the auspices of any educational institution within the county, or any athletic association thereof, or other association whether such institution or association be a denominational, a state, a county, or a municipal institution or association or a state, county or city school or other institution, association or school), skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement or entertainment is offered to the public or place or places where an admission fee is charged, including public bathing places, public dance halls of every kind and description within Limestone County, an amount equal to one per cent of the gross receipts of any such business.

“(c) Upon every person, firm or corporation engaged or continuing within Limestone County in the business of selling at retail machines used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, and the parts of such machines, attachments and replacements therefor which are made or manufactured for use on or in operation of such machines, and which are necessary to the operation of such machines and are customarily so used, an amount equal to one half of one percent of the gross proceeds of such machines, attachments, parts and replacements therefor.

“(d) Upon every person, firm or corporation engaged or continuing within Limestone County in the business of selling at retail any automotive vehicle or truck trailer and semi-trailer, an amount equal to one-half of one percent of the gross proceeds of the sale of such automotive vehicle, truck trailer and semi-trailer.

“Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less the credit for the used vehicle taken in trade.

“(2) (a) An excise tax on the storage, use or other consumption in Limestone County of tangible personal property purchased at retail on or after December 1, 1959, for storage, use, or other consumption in the county at the rate of one per cent of the sales price of such property, regardless of whether the retailer is or is not engaged in the business in the county, except as provided below in paragraphs (b) and (c) of this subsection.

“(b) An excise tax on the storage, use or other consumption in Limestone County of any machine used in mining, quarrying, compounding, processing and manufacturing of tangible personal property, including the parts of such machine, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machine, purchased at retail on or after December 1, 1959, for storage, use or other consumption in Limestone County, at the rate of one-half of one per cent of the sales price of such machine or the parts, attachments, or replacements therefor.

“(c) An excise tax on the storage, use, or other consumption in Limestone County of any automotive vehicle, truck trailer or semi-trailer purchased at retail on or after December 1, 1959, for storage,

use or other consumption in Limestone County at the rate of one-half of one per cent of the sales price of such automotive vehicle, truck trailer, or semi-trailer. Where any used automotive vehicle or truck trailer or semi-trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less the credit for the used vehicle taken in trade.

"Every person storing, using or otherwise consuming in Limestone County tangible personal property purchased at retail after December 1, 1959, shall be liable for the tax, and the liability shall not be extinguished until the tax has been paid as provided for by this Act; provided, however, that a receipt from a retailer maintaining a place of business in Limestone County showing the payment of such tax shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer."

Section 2. Section 2 of Act No. 68 adopted at the 1957 Regular Session of the Legislature of Alabama is hereby amended to read as follows:

"Section 2. The taxes provided for in Section 1 of this Act shall be subject to all definitions, exceptions, proceedings, requirements, rules, regulations, provisions, penalties, fines, punishments and deductions as are applicable to the state sales and use taxes levied under Act No. 100 adopted at the 1959 Second Special Session of the Legislature of Alabama and Article 11 of Chapter 20 of Title 51 of the Code of Alabama of 1940, as said article had been last amended on September 1, 1959, and as it existed on said date, except where inapplicable or where herein otherwise provided, all of which are adopted and made a part hereof by reference, including the provisions for the enforcement and collection of the taxes."

Section 3. Section 4 of Act No. 68 adopted at the 1957 Regular Session of the Legislature of Alabama is hereby amended to read as follows:

"Section 4. The taxes imposed by this Act shall be collected by the State Department of Revenue at the same time and along with the collection by the department of taxes levied and collected for the State of Alabama under Act No. 100 adopted at the 1959 Second Special Session of the Legislature of Alabama and Article 11 of Chapter 20 of Title 51 of the Code of Alabama of 1940, as said article had been last amended on September 1, 1959, and as it existed on said date, and all reports now required to be made to the Commissioners of Revenue of the State of Alabama shall, on request of the Department of Revenue, be available for inspection by the chairman of the county governing body of Limestone County, or his designated agent, at reasonable times during business hours. The State Department of Revenue shall prepare and distribute such reports, forms, and other information as may be necessary for the collection of the additional taxes herein imposed, and shall have all the authority and duties in connection with such additional taxes as are now given by law to the department for the collection of state sales and use taxes under Act No. 100 adopted at the 1959 Second Special Session of the Legislature of Alabama and Article 11 of Chapter 20 of Title 51 of the Code of Alabama of 1940, as said article had been last amended on September 1, 1959, and as it existed on said date. It shall be the duty of the Commissioner of Revenue to pay into the State Treasury all collections of taxes made hereunder, and on or before the first day of the following month the Commissioner of Reve-

nue shall certify to the State Comptroller the amount of special taxes levied and collected under the authority of this Act for the use and benefit of Limestone County during the calendar month immediately preceding the making of such certificate to the State Treasurer; whereupon it shall be the duty of the State Comptroller to issue his warrant on the State Treasury, payable to the custodian of the county school funds of Limestone County for the amount so certified by the Commissioner of Revenue as having been collected for the use and benefit of Limestone County and paid into the State Treasury. The State Department of Revenue shall charge Limestone County for collecting the taxes levied by this Act a percentage of the taxes to be computed on the basis that the total cost of collecting the State's sales and use taxes bears to the total of state sales and use taxes collected for each fiscal year ending September 30th. Such charge for collecting such taxes shall be deducted once each year from the special sales and special use taxes collected in the month of September of each year before certifying the amount of special sales and special use taxes due Limestone County for such month."

Section 4. Section 6 of Act No. 68 adopted at the 1957 Regular Session of the Legislature of Alabama is hereby amended to read as follows:

"Section 6. The taxes levied by this Act shall be due and collectible at the same times and manner as the state sales and use taxes, and as set out in Act No. 100 adopted at the 1959 Second Special Session of the Legislature of Alabama and Article 11 of Chapter 20 of Title 51 of the Code of Alabama of 1940, as said article had been last amended on September 1, 1959, and as it existed on said date, and all of the methods and provisions given to the State of Alabama as to the collection of such taxes under the provisions of Act No. 100 adopted at the 1959 Second Special Session of the Legislature of Alabama and Article 11 of Chapter 20 of Title 51 of the Code of Alabama of 1940, as said article had been last amended on September 1, 1959, and as it existed on said date, are given hereby to Limestone County, and to the State Department of Revenue for Limestone County's use, as to the taxes levied by this Act."

Section 5. The provisions of this act are severable. In the event any section, clause, portion, provision or sentence hereof should be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any of the remaining sections, clauses, portions, provisions or sentences hereof.

Section 6. This act shall become effective on December 1, 1959.

Said Judge may appoint such personnel as may in his opinion be necessary or proper to operate said Library, and, to the extent that in the opinion of said Judge the circumstances permit, may require the Clerk and/or the Register and/or the official Court Reporter to operate the same or to assist therein, either with or without additional compensation therefor from said fund as the said Judge shall direct.

The said items of cost above referred to shall be designated in said Court as "Law Library Fee", and when any part of the costs in such a case or proceeding shall have been paid, the amount necessary for the payment of said fee shall be applied thereto before applying any of the amount paid as costs to any other item of cost. On or before the 10th day of each month, the Clerk of the Court (including the Register of said court) shall pay to the said County Treasurer the amounts collected for said Law Library fees previous to the first day of the month.

Mr. Sessions offered the following amendment to the bill, H. 994:

#### AMENDMENT TO H. B. 994

Substitute the following for Section 2 of the bill:

Section 2. Purpose of this Act. It is the intent of the Legislature

that the additional benefits provided by this Act shall be payable solely from the fund established by Section 6 hereof, and that in no event shall any such additional benefit be payable from the fund established under Act No. 929, or from any other fund, account or revenues of the city. If it shall be disclosed by the financial condition of the fund as determined by the actuarial report or survey required in Section 4 of this Act that the fund, together with the anticipated interest thereon and the estimated future contributions provided in Section 6 hereof will be or is insufficient to maintain the additional benefits herein provided, then the Board of Managers shall be chargeable with the duty of placing into effect immediately such reduction or elimination of benefits, pro rata, as will cause the fund to be sufficient to maintain the benefits herein provided, in the following order of priority of reduction or elimination: First, the supplemental Retirement Allowances payable (then or thereafter) under Section 8 hereof; second, the Supplementary Ordinary Disability allowances payable (then or thereafter) under Section 7 hereof; third, the Death Benefit for widows and Children provided in Section 9 hereof. It is further the intent of the Legislature that the payments to be made out of the fund created by this Act into the fund of the General Retirement and Relief System, as provided in Section 4 hereof, shall be a first charge against the assets and revenues of the fund.

Also, add at the end of Section 11 the following:

Without limiting the generality of the foregoing it is hereby expressly declared and provided that if every provision of this Act excepting the enacting clause and the provisions requiring contributions from the salaries of firemen and policemen and matching contributions from funds of the city to be paid into the fund created by this Act should be held invalid or inoperative, then in that event the said enacting clause and the said provisions requiring contributions from the salaries of firemen and policemen and requiring matching contributions from the city shall remain in force and effect so as to establish a supplemental pension fund out of which there can hereafter be made provision for paying to the said firemen and policemen out of said supplemental fund such additional benefits as it may hereafter be established can be paid from the said supplemental fund on a sound actuarial basis.

Also, on page 8A, line 5, after "city," insert "or the General Retirement and Relief System,"

And the amendment was adopted.

## MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has amended as therein shown and, as amended, has passed the following House bill, and returns same herewith to the House:

H. 102. Relating to the small loan business; providing for the regulation, examination, investigation, and licensing of individuals, firms, and corporations engaged in the business of lending money in amounts of five hundred dollars or less, and for the suspension and revocation of such licenses; prescribing maximum rates of interest and other charges for loans; providing for the administration and enforcement of the Act; and prescribing penalties.

J. E. SPEIGHT,  
Secretary.

## SUBSTITUTE FOR H. B. 102

A BILL  
TO BE ENTITLED  
AN ACT

Relating to the small loan business; providing for the regulation, examination, investigation, and licensing of individuals, firms, and corporations engaged in the business of lending money in amounts of two hundred dollars or less, and for the suspension and revocation of such licenses; prescribing maximum rates of interest and other charges for loans; providing for the administration and enforcement of the Act; and prescribing penalties.

Be It Enacted by the Legislature of Alabama:

Section 1. Declaration of Legislative Intent. The Legislature finds as facts and determines that:

1. There exists among citizens of this state a widespread demand for small loans. The scope and intensity of this demand have been increased progressively by many social and economic forces.

2. The expense of making and collecting small loans, which are usually made on comparatively unsubstantial security to wage-earners, salaried employees and other persons of relatively low incomes is necessarily high in relation to the amounts lent.

3. Such loans cannot be made profitably under the limitations imposed by existing laws relative to interest and usury. These limitations have tended to exclude lawful enterprises from the small loan field. Since the demand for small loans cannot be legislated out of existence, many small borrowers have been left to the mercy of those willing to bear the opprobrium and risk the penalties of usury for a large profit.

4. Interest charges are often disguised by the use of subterfuges to evade the usury law. These subterfuges are so complicated and technical that the usual borrower of small sums is defenseless even if he is aware of the usurious nature of the transaction and of his legal rights.

5. As a result, borrowers of small sums are being exploited, to the injury of the borrower, his dependents, and the general public.

Charges are generally exorbitant in relation to those necessary to the conduct of a legitimate small loan business; trickery and fraud are common; and oppressive collection practices are prevalent.

6. These evils characterize and distinguish loans of two hundred dollars (\$200) or less. Legislation to control this class of loans is necessary to protect the public welfare.

7. It is the intent of the legislature in enacting this law to bring under public supervision those engaged in the business of making such loans, to eliminate practices that facilitate abuse of borrowers, to establish a system of regulation for the purpose of insuring honest and efficient small loan service and of stimulating competitive reductions in charges, to allow lenders who meet the conditions of this Act a rate of charge sufficiently high to permit a business profit, and to provide the administrative machinery necessary for effective enforcement.

Section 2. Definitions. The following words and terms when used in this Act shall have the following meanings unless the context clearly requires a different meaning. The meaning ascribed to the singular form shall apply also to the plural.

"Person" shall include individuals, co-partnerships, associations, trusts, corporations, and any other legal entities.

"License" shall mean a license, issued under the authority of this Act, to make loans in accordance with the provisions of this Act at a single place of business.

"Licensee" shall mean a person to whom one or more licenses have been issued.

"Supervisor" shall mean the Supervisor of the Bureau of Loans of the State Banking Department.

"Bureau" shall mean the Bureau of Loans of the State Banking Department.

"Cash Advance" means the amount of cash or its equivalent that the borrower actually receives or is paid at his direction or on his behalf.

Section 3. Scope (a) No person shall engage in the business of lending in amounts of two hundred dollars (\$200) or less and contract for, exact, or receive, directly or indirectly, on or in connection with any such loan, any charges whether for interest, insurance, compensation, consideration, or expense, which in the aggregate are greater than the interest that the lender would be permitted by law to charge for a loan of money if he were not a licensee under this Act, except as provided in and authorized by this Act and without first having obtained a license from the supervisor. For the purpose of this section a loan shall be deemed to be in the amount of two hundred dollars (\$200) or less if the net amount or value advanced to or on behalf of the borrower, after deducting all payments for interest, expenses, and charges of any nature taken substantially contemporaneously with the making of the loan, does not exceed two hundred dollars (\$200).

(b) Exemptions. This Act shall not apply to any person doing business under the authority of, and as permitted by, any law of this State or of the United States relating to Banks, Savings Banks, Trust

Companies, Savings or Building and Loan Associations, Credit Unions as defined by law nor to any lawful, bona fide pawnbroking business nor shall this Act apply to any person making loans to their tenants engaged in agriculture, nor to loans by agricultural suppliers to persons whose principal business is farming, nor shall it apply to agricultural credit corporations or associations organized under an Act of the Congress of the United States, nor shall it apply to the business of financing the purchase of motor vehicles, refrigerators or other personal property, nor shall this apply to loans insured or guaranteed by the United States or any of its Agencies.

(c) Evasions. The provisions of subsection (a) of this section shall apply to any person who seeks to evade its application by any device, subterfuge, or pretense whatsoever including, but not thereby limiting the generality of the foregoing: the loan, forbearance, use, or sale of credit (as guarantor, surety, endorser, co-maker, or otherwise), money, insurance, goods, or things in action; the use of collateral or related sales or purchases of goods or services, or agreements to sell or purchase, whether real or pretended; receiving or charging compensation for goods or services, whether or not sold, delivered, or provided; and the real or pretended negotiation, arrangement, or procurement of a loan through any use or activity of a third person, whether real or fictitious.

(d) Penalty. Whoever violates or participates in the violation of any provision of this section shall be guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than five hundred dollars (\$500) nor less than one hundred dollars (\$100), or by imprisonment for not more than six months, or by both such fine and imprisonment, in the discretion of the court. Any contract of loan in the making or collection of which any act shall have been done which violates this section shall be void and the lender shall have no right to collect, receive, or retain any principal, interest, or charges whatsoever.

Section 4. Application and Fee. Application for a license shall be in writing, under oath, and in the form prescribed by the supervisor. The application shall give the approximate location where the business is to be conducted and shall contain such further relevant information as the supervisor may require, including the names and addresses of the partners, officers, directors, or trustees, and of such of the principal owners or members as will provide the basis for the investigations and findings contemplated by section 5 of this Act. Provided, however, that such application shall contain a statement made by the applicant under oath that he is not at the time of making the application a member of the National Association for the Advancement of Colored People or of the Communist party or any front thereof and that he has not prior to making said application contributed funds to any such organization and that he has never been a member of any such organization. At the time of making such application, the applicant shall pay to the supervisor the sum of one hundred dollars (\$100) as a fee for investigating the application. All licensees under this Act shall pay an annual license of two hundred dollars (\$200) which shall be due on October 1 of each year and shall be for one year ending September 30 following, and shall be delinquent on the first day of November of each year. And there shall be a penalty of ten percent (10%) added to such license upon delinquency and collected by the bureau. If any applicant licensed under this Act for the first time shall commence business after the first day of April in any year, the amount of the license shall be one-half of the amount of a full year's

license. The amount of the license (and penalties if any) shall be paid to the supervisor of the bureau of loans, who shall remit the same to the treasurer of the State of Alabama, as provided by law. The license herein provided for shall be in addition to all other licenses now or hereafter provided for by law, and shall be in addition to the tax provided for by Chapter 18, Title 51, Code of Alabama (1940) as amended; and the amount of the license levied by this section shall not be credited upon or deducted from, in whole or in part, the tax levied by said Chapter 18, as amended, as to the current state tax year or as to any prior or subsequent state tax year. No refunds for the current or any prior or subsequent state tax year or any portion of the tax levied by said Chapter 18, as amended, shall be made on the ground that the license levied by this section was not credited upon or deducted from the tax levied by said Chapter 18, as amended; and no suit or action shall lie to enforce any claim for such refund.

Section 5. (a) Investigation of Application. Upon the filing of such application and the payment of such fees, the supervisor shall investigate the facts concerning the application and the requirements provided for in subsection (b) of this section. The supervisor shall grant or deny such application for a license within ninety days from the filing thereof with the required information and fees unless the period is extended by written agreement between the applicant and the supervisor.

(b) Issuance of License. If the supervisor shall find that the liquid assets, financial responsibility, experience, character, the general fitness of the applicant are such as to warrant the belief that the business will be operated lawfully, honestly, fairly, and efficiently, within the purposes of this Act, and that allowing such applicant to engage in the business would promote the convenience and advantage of the community in which the business of the applicant is to be conducted, he shall thereupon enter an order granting such application, and file his findings with the bureau, and forthwith issue and deliver a license to the applicant.

(c) Denial of License. If the supervisor shall not so find, he shall notify the applicant in writing who may request a hearing on the application. The request for a hearing must be within thirty (30) days of the rejection with the hearing to be held within thirty (30) days of the date of the request. After such hearing, or, if no hearing is demanded, the supervisor may deny such application by written order, accompanied by his findings of fact, and shall deliver a copy of such order and findings to the applicant. The investigation fee shall be retained by the supervisor while the license fee shall be returned to the applicant.

Section 6. (a) Posting of License. Each license shall state the address at which the business is to be conducted and shall state fully the name of the licensee, and if the licensee is a copartnership or association, the names of the members thereof, and if a corporation, the date and place of its incorporation. Each license shall be kept conspicuously posted in the licensed place of business and shall not be transferable or assignable.

(b) Continuing License. Each license shall remain in full force and effect until surrendered, revoked, or suspended as hereinafter provided.

Section 7. (a) Place of Business. Not more than one place of business shall be maintained under the same license, but the supervisor may issue additional licenses to the same licensee upon his compliance

with all the provisions of this Act governing the issuance of the first or original license.

(b) Removal. No change in the place of business of a license to a location outside of the original municipality shall be permitted under the same license. When a licensee wishes to change his place of business within the same municipality, he shall give written notice thereof to the supervisor who shall investigate the facts, and if he shall find the proposed location is reasonably accessible to borrowers under existing loan contracts, he shall enter an order permitting the change and shall amend the license accordingly. If the supervisor shall not so find he shall enter an order denying the licensee such permission in the manner specified in and subject to the provisions of Section 5 (c) of this Act.

(c) Residence of Borrower. Nothing in this Act shall be construed to restrict the loans of any licensee to residents of the community in which the licensed place of business is situated.

Section 8. (a) Revocation of license. The supervisor shall, upon ten days' written notice to the licensee stating the contemplated action and in general the grounds therefor, and upon reasonable opportunity to be heard, revoke any license issued hereunder if he finds that:

1. The licensee has failed to pay the annual license fee; or that

2. The licensee, either knowingly or without the exercise of due care to prevent the same, has violated any provisions of this Act or any regulation or order lawfully made pursuant to and within the authority of this Act; or that

3. Any fact or condition exists which, if it had existed or had been known to exist at the time of the original application for such license, clearly would have justified the supervisor in refusing originally to issue such license, except the license shall not be revoked because of convenience and advantage; or that

4. The licensee is found guilty by the supervisor of using unreasonable collection tactics.

(b) Suspension of License. If the supervisor finds that probable cause for revocation of any license exists and that enforcement of the Act requires immediate suspension of such license pending investigation, he may, upon three days' written notice and a hearing, enter an order suspending such license for a period not exceeding thirty days.

(c) Records and Notice. Whenever the supervisor shall revoke or suspend a license issued pursuant to this Act, he shall enter an order to that effect and forthwith notify the licensee of the revocation or suspension. Within five days after the entry of such an order he shall file with the bureau his findings and a summary of the evidence supporting them, and he shall forthwith deliver a copy thereof to the licensee.

(d) Surrender of License. Any licensee may surrender any license by delivering it to the supervisor with written notice of its surrender, but such surrender shall not affect his civil or criminal liability for acts committed prior thereto.

(e) Pre-Existing Contracts. No revocation, suspension or surrender of any license shall impair or affect the obligation of any pre-existing contract between the licensee and any borrower.

(f) Reinstatement of License. The supervisor may reinstate suspended licenses or issue new licenses to a person whose license or licenses have been revoked if no fact or condition then exists which clearly would have justified the supervisor in refusing originally to issue such license under this Act.

(g) Complaints of Violation Investigated. The supervisor shall, upon sworn complaint of any borrower, investigate or cause to be investigated any alleged violation of this Act.

Section 9. (a) Annual Examinations of Licensees. At least once each year and at such other time as may be deemed necessary by the supervisor of the bureau of loans an examination shall be made of the place of business of each licensee and of the loans, transactions, books, papers and records of such licensee so far as they pertain to the business licensed under this Act. As cost of examination the licensee shall pay to the bureau of loans under such rules and regulations as may be reasonably prescribed by the supervisor thereof with the approval of the superintendent of banks an examining fee of fifty dollars (\$50) per day or any part thereof for each examiner and in addition thereto ten dollars (\$10) per day per examiner as per diem; provided, however, that no licensee whose business is free from willful violations of this Act shall be required to pay more than a total sum of four hundred dollars (\$400) in any twelve (12) month period as examiners fees; provided, further, that all fees collected by the bureau of loans under the terms of this section shall be paid into a special fund to be set up by the State Treasury; the special fund shall be used to pay the salaries of the officials and employees and the expenses of the bureau of loans, and all moneys deposited therein are hereby appropriated for that purpose; provided, however, nothing herein shall be construed to mean that all salaries of the officials and employees and expenses of operating the bureau of loans shall come from the special fund.

(b) Investigations. For the purpose of discovering violations of this Act or of securing information lawfully required hereunder, the supervisor or his duly authorized representatives may at any time investigate the business and examine the books, accounts, papers, and records used therein, of (1) any licensee, (2) any other person engaged in the business described in Section 3(a) of this Act or participating in such business as principal, agent, broker, or otherwise, and (3) any person who the supervisor had reasonable cause to believe is violating or is about to violate any provision of this Act, whether or not such person shall claim to be within the authority or beyond the scope of this Act. For purposes of this section, any person who shall advertise for, solicit, or hold himself out as willing to make loan transactions in the amount or of the value of two hundred dollars (\$200) or less shall be presumed to be engaged in the business described in Section 3(a) of this Act.

(c) Access to Records: Witnesses. For the purposes of this section, the supervisor or his duly authorized representatives shall have and be given free access to the offices and places of business, files, safes, and vaults of all such persons, and shall have authority to require the attendance of any person and to examine him under oath relative to such loans or such business or to the subject matter of any examination, investigation, or hearing.

(d) Cease and Desist Orders: Injunctions; Receivers. Whenever the supervisor has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this Act, he may in addition to all actions provided for in this Act, and in addition to all other remedies that he may have at law or in equity, and

without prejudice thereto enter an order requiring such person to desist or to refrain from such violation; and an action may be brought on the relation of the Attorney General or the supervisor to enjoin such person from engaging in or continuing such violation or from doing any act or acts in furtherance thereof. In any such action, an order or judgment may be entered awarding such preliminary or final injunction as may be deemed proper. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which such action is brought shall have power and jurisdiction to impound, and to appoint a receiver for the property and business of the defendant, including books, papers, documents, and records pertaining thereto or so much thereof as the court may deem reasonably necessary to prevent violations of this Act through or by means of the use of said property and business. Such receiver, when appointed and qualified, shall have such powers and duties as to custody, collection, administration, winding up, and liquidation of such property and business as shall from time to time be conferred upon him by the court.

Section 10. (a) Books and Records. Each licensee shall keep and use in his business such books, accounts, and records as will enable the supervisor to determine whether such licensee is complying with the provisions of this Act and with the orders and regulations lawfully made by the supervisor hereunder. Each licensee shall preserve such books, accounts, and records for at least two years after making the final entry on any loan recorded therein.

(b) Annual Reports. (1) Each licensee shall annually, on or before the first day of May, file a report with the supervisor as to each licensed place of business under this Act, covering the preceding calendar year. This report shall include the following information, all reported in accordance with sound and generally accepted accounting practice;

(a) Balance sheets at the beginning and end of the period.

(b) A statement of income and expense for the period.

(c) A reconciliation of surplus or net earning with the balance sheets.

(d) A schedule of assets used and useful in the business.

(e) An analysis of charges, sizes of loans and types of security on loans and an analysis of delinquent accounts.

(f) An analysis of suits, reposessions and sales of chattels.

(g) The type of business organization and if the licensee is a corporation, the principal officers and the resident agent, the partners, if the licensee is a partnership or, the owner, if a sole proprietorship.

(2) If the licensee conducts other business or is affiliated with other licensees under this Act, or, if any other situation exists under which allocations are necessary, the licensee shall make such allocation according to appropriate and reasonable methods.

(3) If the licensee is affiliated with other licensees under this Act, a composite report may be filed on behalf of all affiliated licensees within the State of Alabama, but such composite report shall not be required by the supervisor.

(4) Such report shall be made under oath and shall be in the form prescribed by the supervisor who shall make and publish annually an analysis and recapitulation of such reports.

Section 11. (a) Rules, Regulations and Orders. The supervisor shall have authority to make reasonable rules, regulations and orders for the administration and enforcement of this Act, in addition hereto and not inconsistent herewith. Such regulation or order shall be referenced to the section or sections of the Act which set forth the legislative standard which it interprets or to which it applies. Every regulation shall be promulgated by an order, and any ruling, demand, requirement, or similar administrative act may be promulgated by an order. Every order shall be in writing, shall state its effective date and the date of its promulgation, and shall be entered in an indexed permanent book which shall be a public record. A copy of every order promulgating a regulation and of every other order containing a requirement of general application shall be mailed to each licensee at least ten days before the effective date thereof. The failure of a licensee to receive a copy of the regulations shall not exempt him from the duty of compliance with the valid regulations lawfully issued.

(b) Certified Copies of Official Documents. On application of any person and payment of the costs thereof, the supervisor shall furnish, under his seal and signed by him or his deputy, a certified copy of any license, regulation, or order. In any court or proceeding such copy shall be prima facie evidence of the fact of the issuance of such license, regulation or order.

Section 12. (a) Advertising. No licensee or other person subject to this Act shall advertise, display, distribute, or broadcast or cause to permit to be advertised, displayed, distributed, or broadcast, in any manner whatsoever, any false, misleading, or deceptive statement or representation with regard to the rates, terms, or conditions for loans in the amount or of the value of two hundred dollars (\$200) or less. The supervisor may require that charges or rates of charge, if stated by a licensee, be stated fully and clearly in such manner as he may deem necessary to prevent misunderstanding thereof by prospective borrowers. The supervisor may permit or require licensees to refer in their advertising to the fact that their business is under state supervision, subject to conditions imposed by him to prevent an erroneous impression as to the scope or degree of protections provided by this Act.

(b) Schedule of Charges. Each licensee shall prominently display in each licensed place of business a full and accurate schedule of the rates of charge upon all classes of loans currently to be made by him.

Section 13. (a) Other Business in Same Office. No licensee shall conduct the business of making loans under this Act within any office, suite, room, or place of business in which any other business is solicited or engaged in or in association or conjunction with any other business until three days' written notice of an intention so to do has been given the supervisor. Upon receipt of written notification, the supervisor may investigate the facts and, if he finds that the character of the licensee and the nature of the other business warrant belief that such conduct of business would conceal violation or evasion of this Act or of regulations lawfully made hereunder, he shall enter an order directing the licensee to discontinue said other business. The order shall be entered in the manner specified in and subject to the provisions of Section 5 (c) of this Act.

(b) Business Confined to Licensed Office. No licensee shall conduct the business of making loans provided for by this Act under any name, or at any place of business within this state, other than that stated in the license. Nothing herein shall prevent the making of loans

by mail nor prohibit accommodations to individual borrowers when necessitated by sickness or other emergency situations.

(c) Liens on Real Estate. No licensee shall take a lien upon real estate as security for any loan made under this Act, except such lien as is created by law through the rendition or recording of a judgment.

Section 14. (1) Maximum Rate of Charge. Every licensee hereunder may contract for and receive, on any cash advanced (amount of the cash, or its equivalent, that the borrower actually receives or is paid out at his direction or on his behalf) not exceeding two hundred dollars (\$200) in amount, charges not in excess of twenty dollars (\$20) per year per one hundred dollars (\$100) on that part of the cash advanced not exceeding one hundred dollars (\$100) and sixteen dollars (\$16) per year per one hundred dollars (\$100) on that part of the cash advanced exceeding one hundred dollars (\$100) but not exceeding two hundred dollars (\$200), when the cash advanced is made for a period of one year, and proportionately at these rates for a greater or lesser amount within said limits or for a greater or lesser period of time, notwithstanding any agreement to repay the loan obligation in installments. Said charges and the cash advanced shall be aggregated at the date of the loan for the entire period of the loan and this aggregated amount shall be repayable in installments in the manner provided in subsection 7 of this section. For the purpose of computing charges for a fraction of a month, a day shall be considered one-thirtieth of a month.

(2) Charges on Loans of Ninety Dollars (\$90) or less. On a cash advance of ninety dollars (\$90) or less a licensee may charge, in lieu of charges specified in subsection (1) of this section, not in excess of one dollar (\$1) for each five dollars (\$5) of cash advanced to the borrower, up to the amount of ninety dollars (\$90); and a period of at least fifteen (15) days must be allowed for the repayment of each five dollars (\$5) of the cash advanced, such charges cannot be assessed by any subterfuge or device on any loan over ninety dollars (\$90) or on any balance of ninety dollars (\$90) or less when the original cash advanced was greater than ninety dollars (\$90).

(2-A) Charges on Loans of Fifteen Dollars (\$15) or Less. On a cash advance of fifteen dollars (\$15) or less a licensee may charge, collect and receive, in lieu of charges specified in subsections (1) and (2) of this section, not in excess of one dollar for each five dollars (\$5) of cash advanced to the borrower up to the amount of fifteen dollars (\$15); and a period of at least fifteen (15) days must be allowed for the repayment of each such loan; such charges cannot be assessed by any subterfuge or device on any loan over fifteen dollars (\$15) or on any balance of fifteen dollars (\$15) or less when the original cash advanced was greater than fifteen dollars (\$15).

(3) Refund. When any loan contract is paid in full by cash, a new loan, renewal or otherwise, one month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rule of 78th or sum of the digits principle as follows: The amount of the refund or credit shall be as great a proportion of the total charges originally contracted for as the sum of the periodic time balances of the contract scheduled to follow the date of prepayment bears to the sum of all the periodic time balances of the contract, both sums to be determined according to the payment schedule originally contracted for. No refund shall be re-

quired for any partial prepayment and no refund of less than one dollar (\$1) need be made.

(4) Default or Extension Charges. If the contract so provides, the additional charge for any installment past due five (5) or more days whether by reason of default or extension agreement, may be five per cent (5%) of the installment past due and said amount may be charged once and no more.

(5) Recording Fees. The licensee may collect from the borrower the actual fees paid a public official, or agency of the State, for filing, recording or releasing any instrument securing the loan.

(6) No Further Charges, no Splitting Contracts, Certain Contracts Void. No further or other charges shall be directly or indirectly contracted for or received by any licensee, including insurance premiums of any kind, except those specifically authorized by this Act. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this Act. All balances due to a licensee from any person, as a borrower, or as an endorser, guarantor or surety for any borrower or otherwise, or due from any husband or wife, jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing charges. If any amount in excess of the charges permitted by this Act is charged, contracted for, or received, except as the result of an accidental and bona fide error of computation, the contract of loan shall be void and the licensee shall have no right to collect or receive any cash advanced, charges or recompense whatsoever; and the licensee and the several members, officers, directors, agents and employees thereof who shall have participated in such violation, shall be guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not more than five hundred dollars (\$500) and not less than one hundred dollars (\$100) or by imprisonment of not more than six months, or by both such fine and imprisonment, in the discretion of the court. Any borrower may recover the full amount of principal and charges paid by him on any contract made in violation of this section, together with a reasonable attorney fee, by action at law or in equity brought within twelve months from the date of the last payment of principal or charges on such contract.

(7) Installment Payment, Contract Period. No licensee shall enter into any contract of loan under this Act in which the borrower agrees to make any scheduled repayment of the cash advance more than twenty-five (25) calendar months from the date of making such contract of loan. Every loan contract shall require payment of the cash advance and charges in installments which shall be payable at approximately equal periodic intervals except that payment dates may be omitted to accommodate borrowers with seasonable incomes. No installment contracted for shall be substantially larger than any preceding installment.

(8) Interest as provided in this Act shall not accrue or be recovered or charged on any loan made under this Act for any longer than six months after the due date of the final installment of principal or interest. After the expiration of said six months period interest may be charged at a rate not to exceed eight per cent per annum.

(9) No licensee shall induce or permit any person, or any husband and wife jointly or severally, to become obligated directly or contingently, or both, under more than one contract of loan at the same time, for the purpose of obtaining a higher rate of charge than would otherwise be permitted by this section. And it shall be unlawful for any licensee to evade, or attempt to evade this section by inducing a cus-

tomer to borrow from another loan company in which he has a pecuniary interest or with whom he has an arrangement for exchange of customers.

Section 15. (a) Requirements for Making and Payment of Loans. Every licensee shall:

1. At the time a loan is made deliver to the borrower or if there be two or more borrowers, to one of them a copy of the loan contract, or a written statement in the English language showing in clear and distinct terms:

(i) The name and address of the lender and one of the primary obligors on the loan;

(ii) The date of the loan contract;

(iii) Schedule of installments or description thereof;

(iv) The cash advance;

(v) The face amount of the note evidencing the loan;

(vi) The amount collected or paid for insurance, if any;

(vii) The amount collected or paid for filing or other fees allowed by this Act;

(viii) The collateral or security for the loan.

2. Give to the person making any cash payment on account of any loan a receipt at the time such payment is made which receipt need only show the total amount of such cash payment. No receipt shall be required in the case of payments made by the borrower's check or money order, and the use of a coupon book system shall be deemed in compliance with this section.

3. Permit the payment to be made in advance in any amount on any contract of loan at any time during a licensee's regular business hours.

4. Upon repayment of the loan in full, mark plainly every obligation and security signed by any obligor with the word "Paid" or "Cancelled," and release any mortgage, restore any pledge, and cancel and return any note and any assignment given to the licensee.

(b) Confessions of Judgment; Incomplete Instruments. No licensee shall (1) take any confession of judgment or any power of attorney running to himself or to any third person to confess judgment or to appear for the borrower in a judicial proceeding; nor (2) take any note, promise to pay that does not disclose the total amount to be repaid, a schedule of payments or a description thereof, and the agreed rate or aggregate amount of charge, nor any instrument in which blanks are left to be filled in after execution.

Section 16. Additional Security for Loans.

(1) On loans in amounts of one hundred dollars (\$100) or more, a licensee may accept as additional security for a loan, insurance written on the life of one of the principal obligors under the loan contract. Such insurance must be reasonably related to the hazard or risk of the loan and must not exceed the term of the loan or the approximate amount of the indebtedness at any time during the life thereof.

(2) The premium, or identifiable charge, collected by licensee or its officers, agents or employees on life insurance shall not exceed the lowest premium or identifiable charge for such insurance as filed with and approved by the insurance commissioner of the State of Alabama by a company licensed to do business in the State of Alabama and writing such insurance; provided however that in no event shall the premium or identifiable charge exceed \$1.00 per annum for each \$100 of life insurance.

(3) Every insurance policy or certificate written in connection with the loan transaction shall provide for cancellation of the coverage and a refund of the unearned premium or identifiable charge upon the discharge of the loan obligation for which such insurance is security, without prejudice to any claim. Such refund shall be made under a formula filed by the insurer with the department of insurance except no refund of less than \$1.00 need be made.

(4) In accepting such insurance as security for the loan, the licensee, or an employee, may deduct the premiums or identifiable charge for such insurance from the proceeds of the loan and transmit them to the insurance company.

(5) Any gain or advantage in the form of commission or otherwise, to the licensee or to any employee, affiliate or associate of the licensee from such insurance or its sale shall not be considered an additional or further charge in connection with the loan.

(6) All such insurance shall be written by a company authorized to conduct business in this state and the licensee shall not require the purchase of such insurance from any agent or broker designated by the licensee, nor shall the licensee decline existing coverages which equal or exceed the standards of this section.

Section 16½. Loans of More Than Two Hundred Dollars (\$200). No licensee, person, firm or corporation who makes a loan in excess of two hundred dollars (\$200) shall charge, contract for or receive interest in excess of the rates prescribed in Sections 60 or 61 of Title 9, Code of Alabama, 1940, as amended. The foregoing prohibition shall also apply to any licensee who permits any person, as borrower, or as endorser, guarantor, or surety for any borrower, or otherwise or any husband and wife jointly or severally, to owe directly or contingently, or both, to the licensee at any time a sum of more than two hundred dollars (\$200) for principal. The supervisor may suspend or revoke the license of any licensee who violates this section, in the manner prescribed by Section 8 of this Act, and the penalties provided for in Section 23(c) of this Act shall apply to any person, firm or corporation violating this section.

Section 17. Loans made Elsewhere. Any loans made outside this state in accordance with the law applicable to such loan in the state in which the loan was made may be collected in this state.

Section 18. Review. In addition to any other remedy he may have, any licensee and any person considering himself aggrieved by any act or order of the supervisor hereunder may, within thirty days from the entry of the order complained of, or within sixty days of the act complained of if there is no order, petition the circuit court of Montgomery County to review such act or order; provided such petition shall be docketed, heard and tried in the same manner as other extraordinary writs issued by the court and a copy of the petition and order setting the same for hearing shall be served on the supervisor,

giving him such notice of the time and place of the hearing as may be directed by the court.

Section 19. Suits on Debts. If any suit filed on any debt or evidence of any indebtedness governed hereby in any court, the judge thereof shall not render any judgment by default, *nil dicit* or otherwise until he has heard the testimony of the licensee or of a representative of such licensee, and the judge must on his own motion interrogate such licensee or such other witness to determine whether there has been any violation of the provisions of this Act and whether any charges have been contracted for, made or received in excess of the amount allowed under this Act. If it be made to appear that the provisions of this Act have been violated or that charges in excess of those allowed have been contracted for, made or received, then the suit shall be dismissed at the cost of the plaintiff. In any such suit the plaintiff must allege that he is a licensee under this Act, and if such plaintiff is subject to this Act and fails to allege in his complaint that he is a licensee hereunder, or if it is shown to the court that he is subject to this Act and is not a licensee then the court *ex mero motu* shall dismiss the suit at the cost of the plaintiff. No garnishment shall issue in such suit or in connection therewith until after judgment has been rendered.

Section 20. Pre-Existing Contracts. This Act or any part thereof may be modified, amended, or repealed so as to effect a cancellation or alteration of any license or right of a licensee hereunder, provided that such cancellation or alteration shall not impair or affect the obligation of any pre-existing lawful contract between any licensee and any borrower.

Section 21. Status of Pre-Existing Licensees. Any person having a license under Act No. 159, H. 233, approved June 23, 1945, (General Acts of Alabama, 1945, page 200), as amended, in force when this Act becomes effective, or had such a license in effect on September 30, 1959, shall be deemed to have a license under this Act for a period expiring six months after the effective date hereof, if not sooner revoked. Any such license so continued in effect under the provisions of this Act shall be subject to revocation during such six months' period as provided in Section 8 of this Act; except that such license may not be revoked nor shall an application for a new license be denied upon the ground that the convenience and advantage of such community will not be promoted by the operation therein of such business.

Section 22. Records. (a) The supervisor shall cause to be kept on file in the bureau of loans, open to public inspection during business hours, an alphabetical listing of all licensees doing business in Alabama; and such list shall reveal the true ownership of the licensee companies. If the company is a corporation, the list shall indicate the name of the corporation, the address of the home office, and the names and addresses of its officers and directors.

(b) Except as provided in subsection (a) of this section, all applications, reports, and other papers and documents submitted by licensees to the supervisor or to the bureau shall be open to public inspection only upon approval of the supervisor; but the supervisor shall not deny any person access to such records when the disclosure thereof to such person is in the public interest.

Section 23. (a) Repealer. The provisions of Act No. 159, H. 233, approved June 23, 1945 (General Acts of Alabama, 1945, page 200), as amended, in conflict herewith are hereby repealed. And all other laws or parts of laws which conflict with this Act are also repealed. But

such repeal shall not be considered an abolition of the bureau of loans, whose existence is hereby continued as a state agency, for the purpose of administering and enforcing this Act.

(b) Status of Pre-Existing Obligations. Nothing herein contained shall be so construed as to impair or affect the obligation of any contract of loan between any licensee under Act No. 159, H. 233, approved June 23, 1945 (General Acts of Alabama, 1945, page 200) as amended, and any borrower which was entered into prior to the effective date of this Act.

(c) Any person, firm, corporation or association who shall willfully violate any of the provisions of this Act for which a specific penalty is not herein specifically provided shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than five hundred dollars (\$500), nor less than one hundred dollars (\$100), or by imprisonment for not more than six months or by both such fine and imprisonment, in the discretion of the court.

Section 24. If a part of this Act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of the Act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 25. Citation of Act. This Act shall be known and may be cited as the "Alabama Small Loan Act."

Section 26. Effective Date. This Act shall become effective 60 days after its passage and approval by the Governor, or 60 days after its otherwise becoming a law.

**POINT OF PERSONAL PRIVILEGE**

On the request of Messrs. Lee and Broadfoot the following was ordered inserted in the Journal:

Mr. Speaker:

As a point of personal privilege we would like for the Journal of this house to show in our opinion the rules of this house were not adhered to in the matter of a special order of business in violation of House rule 6 on the 31st legislative day in that a vote was taken on the special order before the title was read to the members of this house and that the resolution was purportedly adopted and was then amended and after such amendment was not resubmitted nor adopted by the house.

**MOTION TO ADJOURN LOST**

The motion of Mr. Reynolds (Chambers) that the House adjourn until Friday, October 30, 1959, at ten o'clock A.M. was lost.

If a majority of the voters participating in the election vote in favor of the imposition of such taxes, the County Commission may thereupon adopt an ordinance, order or resolution levying the taxes provided for in this Act. If, on the other hand, a majority of the voters participating in the election disapprove the levying of such taxes in the county, no levy of any tax shall be made in such county under this Act. Section 9. Subject to the exemptions set forth in the preceding section, every person storing or using or otherwise consuming in the county tangible personal property purchased at retail shall be liable for the tax imposed by this section, and the liability shall not be extinguished until the tax has been paid by such person as herein provided; provided, however, that a receipt from a registered seller given pursuant to Section 11 of this Act to the purchaser of any property to be used, stored, or consumed in the county shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

Section 10. The sales taxes levied pursuant to Section 5 of this Act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues; and the use taxes levied pursuant to Section 7 of this Act shall be due and payable quarterly on or before the twentieth day of the month next succeeding each quarterly period during which the storage, use, or other consumption of the tangible personal property became taxable hereunder, each such quarterly period to end on the last days of each of the months of March, June, September and December. All taxes levied pursuant to this Act shall be paid to and collected by the Director of Revenue of Jefferson County, Alabama. On or prior to the due dates of the taxes herein levied, each person subject to such taxes, shall file with the Director a report or return on such form as may be prescribed by the Director, setting forth, with respect to all sales and business that are provided in Section 5 hereof to be used as a measurement of the tax levied pursuant to said Section 5, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business, and setting forth, with respect to the use tax levied pursuant to Section 7 hereof, the total sales price of all property, the use, storage, or other consumption of which became subject to the tax imposed pursuant to said Section 7 during the then preceding quarterly period. Any person subject to the taxes

levied pursuant to section 5 hereof may defer reporting credit sales until after their collection, and in the event he so defers reporting them, he shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the taxes but thereon at the time of filing such report. All reports or returns filed with the State Department of Revenue shall be available for inspection by the Director, or his designated agent, at reasonable times during business hours.

Section 11. Every registered seller making sales of tangible personal property for storage, use, or other consumption in the county (which storage, use, or other consumption is not herein exempted from the tax imposed pursuant to Section 8 hereof) shall at the time of making such sale, or, if the storage, use, or other consumption of such tangible personal property in the county is not then taxable under this Act (at the time such storage, use, or other consumption becomes taxable hereunder), collect the tax imposed pursuant to Section 7 of this Act from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the Director, which may be on the same form prescribed by the State Department of Revenue and used in connection with the State sales or use tax. On the twentieth day of the month following the close of each quarterly period provided for in Section 10 hereof, each registered seller shall file with Director a return for the preceding quarterly period in such form as may be prescribed by the Director, showing the total sales of the tangible personal property sold by such registered seller, the storage, use, or other consumption of which became subject to the tax imposed pursuant to Section 7 of this Act during the then preceding quarterly period; and each return shall be accompanied by a remittance of the amount of the tax herein required to be collected by such registered seller during the period followed by the return; provided, that any registered seller may defer collecting the tax with respect to credit sales until collection of the proceeds of such sales and may defer reporting credit sales until after their collection but shall thereafter collect the said taxes along with collection of said credit sales and shall include in each quarterly report all credit collections made during the preceding quarterly period, and shall remit the taxes with respect thereto at the time of filing such report or return. Any person who has paid to a registered seller the tax with respect to the use, storage, or other consumption of tangible personal property in the county need not file a report or make any further payment of the said tax, but each person who purchases tangible personal property the storage, use, or other consumption of which is subject to the tax imposed pursuant to Section 7 of this Act and who has not paid the tax due with respect thereto to a registered seller, shall report and pay the tax as required by Section 10.

Section 12. (a) Each person engaging or continuing within the county in a business subject to the taxes levied pursuant to Section 5 of this Act shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said taxes levied pursuant to said Section 5; and every registered seller shall likewise add to the sales price and collect from the purchaser the amount of any tax which such registered seller is required by Section 11 hereof to collect. It shall be unlawful for any person subject to the tax levied pursuant to Section 5 to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or person paying the admission fee the amount herein required to be so added to the sales or admission price and collected from the purchaser, and it shall likewise be unlawful for any

person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof. It shall likewise be unlawful for any registered seller to fail or refuse to add to the sales price and to collect from the purchaser the amount of the tax imposed pursuant to Section 7 of this Act or to refund or offer to refund or absorb, or to advertise directly or indirectly, the absorption of, said tax or any portion thereof.

(b) For the purpose of complying with this section, the county taxes levied pursuant to Section 5 shall be passed on to the buyer, consumer, or user, along with the state sales tax, in cases where the sales or admission price is one dollar and ten cents (\$1.10) or less, as follows: No tax on one cent (1c) to and including ten cents (10c) of sales price, one cent (1c) tax on eleven cents (11c) to and including thirty-five cents (35c) of sales price, two cents (2c) tax on thirty-six cents (36c) to and including sixty cents (60c) of sales price, three cents (3c) tax on sixty-one cents (61c) to and including eighty-five cents (85c) of sales price, and four cents (4c) tax on eighty-six cents (86c) to and including one dollar ten cents (\$1.10) of sales price.

Section 13. The taxes imposed pursuant to this Act shall constitute a debt due the county and may be collected by civil suit, in addition to all other methods provided by law and in this Act. The said taxes, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All of the provisions of the revenue laws of this state which apply to the enforcement of liens for license taxes due this state shall apply fully to the collection of the taxes herein levied, and the Director, for the use and benefit of the county shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that the state or the State Department of Revenue has for collection of the state sales tax and the state use tax.

Section 14. All provisions of the state sales tax statutes with respect to payment and assessment of the state sales tax, making of monthly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, making reports or otherwise complying with the state sales tax statute, the promulgation of rules and regulations with respect to the state sales tax, and the administration and enforcement of the state sales tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied pursuant to Section 5 hereof, shall apply to the tax levied pursuant to said Section 5; and all provisions of the state use tax statutes with respect to payment and assessment of the state use tax, making quarterly reports and keeping and preserving records with respect thereto, interest after due date of tax, penalties for failure to pay tax, make reports or otherwise comply with the state use tax statutes, the promulgation of rules and regulations with respect to the state use tax, and the administration and enforcement of the state use tax statutes, which are not inconsistent with the provisions of this Act when applied to the tax levied pursuant to Section 7 hereof, shall apply to the tax levied pursuant to said Section 7. The Director shall have and exercise all of the same powers, duties and obligations with respect to the taxes levied pursuant to Sections 5 and 7 hereof that are imposed on or granted to the Director and the State Department of Revenue, respectively, by the

state sales tax statutes and the state use tax statutes. All provisions of the State sales tax statutes and the state use tax statutes that are made applicable in this Act to the taxes herein levied and to the administration of this Act are hereby incorporated herein by reference and made a part hereof as if fully set forth herein.

Section 15. Each person, firm or corporation collecting and remitting any of the taxes provided for in this Act shall be entitled to a discount not to exceed five percent (5%) of the first one hundred dollars (\$100) of taxes levied and two percent (2%) of the taxes levied over one hundred dollars (\$100) by this Act, and due and payable to the County; provided, however, that no discount shall be allowed upon any taxes which are not paid before delinquency, as in this Act provided.

Section 16. All taxes required to be paid by this Act shall be paid to the Director and shall, by him, be distributed as follows: An amount equal to two percent (2%) of the taxes collected first shall be paid to the Director and by him to the County Treasurer of Jefferson County, Alabama, to be paid into the general fund of the county for the expense of the collection and distribution of said tax. The remainder of said tax (ninety-eight percent (98%) of the sums collected or received) shall be distributed by the Director as provided in Section 17 of this Act. The Director shall make such distribution on or before the first day of each successive month (commencing with the month following the month in which the Director makes or receives the first collections hereunder). The Director shall furnish to each of the municipalities and institutions and to the county a statement of all such receipts and disbursements each month at the time the Director makes distribution as provided in Section 17 hereof.

Section 17. The proceeds of the taxes provided for in this Act shall be devoted to the following uses and purposes exclusively, to-wit: (1) twenty-five percent (25%) thereof shall be used to provide facilities to care for, and to provide treatment and care for indigent sick and injured persons who are bona fide residents of the county; (2) forty-two percent (42%) shall be divided among the school systems in the county to which State and County funds are distributed, on the basis of teacher units as determined in accordance with the minimum school program for the current school year or on such other basis as may be hereafter prescribed to be used for the support and furtherance of education in the county; (3) eight percent (8%) shall be used by the county for the construction of sewers and sewage disposal facilities; (4) twenty-five percent (25%) shall be divided pro rata on a population basis among the municipalities in the county.

Section 18. At any time following the levy and imposition of the taxes provided for herein, and upon the petition of ten percent (10%) of the number of voters voting in the last preceding general election being filed with the probate judge of the county, the judge must call an election for the county to determine the sentiment of the people as to whether or not the taxes shall be continued in effect in the county. Such election shall be held on the same day as the next primary, general, or special election that is held in the county, and shall be held and conducted in the manner provided by law for holding other county elections. Notice of the election shall be given by the judge of probate by publication once a week for four consecutive weeks next preceding the election in a newspaper published in the county. All costs of the election, including, but not limited to, the cost of publish-

ing the notice and cost of renting voting machines shall be paid by the following on the bases specified:

(1) Twenty-five percent (25%) of such cost shall be paid by the board of trustees of the University of Alabama; (2) forty-two percent (42%) of such cost shall be divided among the school systems of the county to which state and county funds are distributed on the basis of teacher units; (3) eight percent (8%) of such cost shall be paid by Jefferson County, Alabama; (4) twenty-five percent (25%) shall be paid by the City of Birmingham.

If a majority of the voters participating in the election vote in favor of the continuation of such tax, then the county commission may thereupon continue said tax in effect. If on the other hand, a majority of the voters participating in the election disapprove the continuation of such taxes in the county, the county commission may adopt an ordinance, order or resolution repealing the taxes provided by this Act.

Section 19. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 20. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

And the substitute was adopted.

A BILL

AN ACT

To amend Act No. 31, H. 256, approved June 17, 1957 (Acts of Alabama 1957, p. 77), entitled "An Act relating to the construction, maintenance and repair of the county roads and bridges of DeKalb County; providing that such roads and bridges shall be constructed, maintained and repaired by the State Highway Department, and relieving the county and officials thereof, of certain duties in regard thereto; providing for the transfer by the county and its officials to the State Highway Department of certain funds, including DeKalb County's proportionate share of the state gasoline tax, the county one-cent tax on gasoline, state motor vehicle license taxes allocated to the county, and also for the transfer of supplies, equipment, machinery and materials used in the construction, maintenance and repair of county roads and bridges; and repealing conflicting laws."

Be It Enacted by the Legislature of Alabama:

Section 1. Section 5 of Act No. 31, H. 256, approved June 17, 1957 (Acts of Alabama 1957, p. 77) entitled "An Act relating to the construction, maintenance and repair of the county roads and bridges of DeKalb County; providing that such roads and bridges shall be constructed, maintained and repaired by the State Highway Department, and relieving the county and its officials thereof, of certain duties in regard thereto; providing for the transfer by the county and its officials to the State Highway Department of certain funds, including DeKalb County's proportionate share of the state gasoline tax, the county one-cent tax on gasoline, state motor vehicle license taxes allocated to the county, and also for the transfer of supplies, equipment, machinery and materials used in the construction, maintenance and repair of county roads and bridges; and repealing conflicting laws," is amended to read as follows:

"Section 5. Personnel shall be employed by the State Highway Department in the administration of this Act subject to the following conditions:

"(a) The appointing authority for all persons employed in DeKalb County in the administration of this Act shall be vested in the State Highway Director.

"(b) All persons employed by the Department in the administration of this Act on January 1, 1958 shall be brought under and covered by the State Merit System Law without examination and on a permanent status, subject to the provisions of this Act.

"(c) The engineering personnel employed by DeKalb County on June 17, 1957, shall be covered by the State Merit System Law, without examination and on a permanent status.

Mr. Roberts offered the following substitute for the bill, H. 1033:

A BILL  
TO BE ENTITLED  
AN ACT

Relating to the management of the public records of Madison County; providing for the photographing or microphotographing of such public records and for the admissibility in evidence of photographed or microphotographed copies of records required to be kept by public officers of Madison County, and for payment of the costs incurred in the purchase of photographic or microphotographic equipment; creating a county records commission to regulate the destruction or disposal of such public records; and providing for establishment of a county records custodian and reproduction department.

Be It Enacted by the Legislature of Alabama:

Section 1. The court of county commissioners, board of revenue, or other like governing body of Madison County may require the photographing or microphotographing, on plate or film of any record, document, plat, court file, book, map, paper, or writing made, acquired, or received as required by law by any official of Madison County except those records that the board of registrars is required by law to make and keep, which may be photographed or microfilmed only if this procedure is approved unanimously by the board of registrars. Such photographs, microfilms, or prints made therefrom, when duly authenticated by the custodian thereof, shall have the same force and effect at law as the original record, or of a record made by any other legally authorized means, and may be offered in like manner and shall be received in evidence in any court where such original record, or record made by other legally authorized means, could have been so introduced and received. In like manner, reproductions made from such records by photographic or like process, when otherwise in compliance with applicable statutes, rules and regulations, shall be received and treated in any court of this State as fully as would a transcription or reproduction of such records made by any other means or process.

Section 2. The court or board is authorized to charge to any office, court, board, institution, department or agency of the county the cost of photographing or microphotographing of public records belonging to that office, court, board, institution, department, or agency, by the charging of the cost of such work to that office, court, board, institution, department or agency's appropriation from the county budget.

Section 3. The court or board may from time to time appropriate amounts out of the general fund of the county sufficient to pay the cost of photographing or microphotographing the public records belonging to the county, and may from time to time appropriate amounts sufficient to purchase necessary photographic or microphotographic equipment, materials and supplies therefor.

Section 4. There is hereby created a county records commission consisting of twelve members as follows: The director, or deputy director if designated by the director, of the State Department of Ar-

chives and History; the senior presiding judge of the circuit court of Madison County; the judge of the probate court of Madison County, or if so designated his chief deputy; the register in chancery of the circuit court of Madison County; the clerk of the circuit court of Madison County; the clerk auditor of the Madison County Board of Commissioners; the tax assessor of Madison County; the president of Madison County Historical Society; the head of the department of history or senior professor of history of the University of Alabama, Huntsville Center; the president of the Twickenham Town Chapter of the Daughters of the American Revolution; the president of the Madison County Bar Association; and a deputy examiner, designated by the director, of the State Department of Examiners of Public Accounts. The commission shall meet annually at the Madison County Courthouse on the first day in February of each year at 10:00 A.M. and the commission shall meet thereafter as often as they shall determine.

Section 5. The county records commission shall be charged with the responsibility of determining which county records shall be permanently preserved because of their historical value, and which records may be destroyed or otherwise disposed of after they have been microfilmed, provided, however, that no record of the probate office or circuit court shall be destroyed unless otherwise permitted by law. The commission shall classify the different types of records accordingly. No county official shall cause any county records to be destroyed or otherwise disposed of without first obtaining the approval of the county records commission. Before destroying any records, the disposal of which by a county official has been approved by the commission, such records must be offered to the Huntsville Public Library, State Department of Archives and History, the local Historical Association, and the Huntsville Burritt Museum in such order as the records commission may determine. The Madison County Board of Commissioners is required to expend the county general funds found to be necessary to build, lease or remodel a suitable building to retain old records. Said building must conform to standards for this type of building as recommended by the United States Bureau of Standards.

Section 6. No county official or employee shall destroy, dispose of, or cause to be destroyed or disposed of, any public record that has been microfilmed under the provisions of this Act until the records custodian has certified that the microfilm copy has been processed and checked for clarity.

The board of county commissioners shall also enter into such contracts as are necessary in order to provide for the storage and safekeeping of a copy of each photograph or microphotograph made of any county records at some place outside the boundaries of Madison County.

Section 9. A fee of twenty-five cents will be charged in addition to all filing and recording fees now charged for each instrument, document, plat, court file, map, paper or writing photographed or microphotographed and each official receiving instruments to be photographed or microphotographed will collect the fee and deposit same by the tenth of each month to the credit of the county general fund.

By Messrs. Perry, Sessions, Locke, Edwards, Hawkins, Rast and Morrow:

H. R. 85. BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that the Honorable Chief Justice and Associate Justices of the Supreme Court of Alabama, or a majority of them, are hereby respectfully requested to give this body their written opinions on the following important Constitutional questions relating to the Substitute for House Bill No. 1025, now pending in the Legislature, and a copy of which is hereto attached:

1. Does the referendum feature of the Substitute, provided for in either Section 2 or Section 18 thereof, or the authorization to the governing body of the County in said Sections 2 and 18, to adopt and to continue or to repeal an order, ordinance or resolution levying the sales and use tax, constitute an unlawful delegation of the power to levy taxes in violation of Section 212 of the Constitution?

2. Does the advisory referendum feature in Section 18 of the Substitute or the authority to the County governing body to continue or to repeal the levy of the sales and use tax authorized by the Substitute permit the exercise of the power to suspend laws contrary to Section 21 of the Constitution?

3. Does the referendum feature of the Substitute, provided for in either Section 2 or Section 18 thereof, or the authorization to the governing body of the County in said Sections 2 and 18, to adopt and to continue or to repeal an order, ordinance or resolution levying the sales and use tax, constitute an unlawful delegation of the legislative power in violation of Section 43 and 44 of the Constitution?

4. Will the submission pursuant to Section 2 or Section 18 of said Substitute for an advisory election on a sales and use tax to be used for four different purposes, to-wit, sewers, the school systems, the care of the sick poor, and municipal aid, as provided in Section 17 of the Substitute, violate the constitutional principle applied in the case of Town of Woodlawn vs. Cain, 135 Ala. 369, 33 So. 149 (1902) to a tax election called under Section 216 of the Constitution?

5. Is the allocation of 25% of the net proceeds of any tax levied pursuant to said Substitute among the municipalities of the county on a population basis with 42% to the school systems in the county, 25% for the care of the sick poor of the county, and 8% to the county for the construction of sewers and sewage disposal facilities, as provided in Section 17 of the Substitute, either

(a) arbitrary, or

(b) a subterfuge to shield one class and unduly burden another, or

(c) unlawfully oppressive

in violation of the due process clause of Section 6 of the Constitution (commented on in *Garrett vs. Colbert County Board of Education*, 225 Ala. 86, 94; 50 So. (2) 275 (1950)?

On motion of Mr. Perry the rules were suspended and H. R. 85 was adopted.

By Mr. Guthrie:

H. R. 88. Be it resolved by the House of Representatives as follows:

Whereas, there appears that a number of persons are seeking to establish a record for re-election, and;

Now therefore be it resolved as follows:

Be it further resolved that the date of the election of members of the House of Representatives be clearly marked as November, 1962.

provide for the appointment of special agents to sell boat licenses; to repeal all laws in conflict with the provisions of this act.

Be it Enacted by the Legislature of the State of Alabama:

Section 1. Declaration of policy. It is the policy of this state to promote safety for persons and property in and connected with the use, operation and equipment of vessels used on the waters of this state and to promote uniformity of laws relating thereto.

Section 2. Application. The provisions of this act shall be applicable to all vessels as herein defined, navigating the waters within the jurisdiction of this state, except where inconsistent with any laws or regulations of the United States, in which case such laws or regulations shall prevail.

Section 3. Definitions. As used in this act, unless the context clearly requires a different meaning;

(1) "Vessel" means every description of watercraft, other than a sea plane capable of being used as a means of transportation on water, but shall not include vessels under foreign registry temporarily using the public waters of this state nor shall it include public vessels of the United States, State, County, or Municipal vessels, ships' life-boats or vessels temporarily operating upon the public waters of this state which have been validly licensed by another state or the Federal Government.

(2) "Waters of this State" means any waters within the territorial limits of this State and the marginal sea adjacent to this state and the high seas when navigated as a part of a journey or ride to and from the shore of this State. Provided, however, "waters of this state" shall not be interpreted to mean any private pond which is not used for boat rentals or the charging of fees for fishing therein.

(3) "Owner" means a person, other than a lien holder, having the property in or title to a vessel. The term includes a person entitled to the use or possession of a vessel subject to an interest in another person, reserved or created by agreement and securing payment or performance of an obligation, but the term excludes a lessee under a lease not intended as security.

(4) "Person" means an individual, partnership, firm, corporation, association, or other entity.

(5) "Operate" means to navigate or otherwise use a vessel.

(6) "Director as used in this act" means the Director of the State Conservation Department.

(7) "State Department of Conservation" or "Department of Conservation" means that department created by the laws of this state having supervision over game, fish, forestry, parks, seafoods, and such lands of the state and such supervision over public waters of this state as now are constituted by law or any subsequent amendment thereto.

(8) "Certificate" means registration by a vessel owner with the Department of Conservation and includes the issuance of an identifying number awarded each vessel and the issuance of a pocket-size certificate of registration.

(9) "Length" means measured from end to end over the deck excluding sheer.

Section 4. Duty of Director. It is hereby expressly made the duty of the Director to set up a division with the department of conservation to be known as 'Division of Water Safety' with sufficient personnel to perform the necessary clerical and routine work for the department in issuing, handling and recording vessel registration identifying numbers, including the receiving and accounting of all registration fees and payments of same into the state treasury, receiving and recording accident reports, and making such reports of such accidents to such federal agency as may be required by federal law and such other incidental clerical work connected with the administration of this act.

Section 5. Enforcement. This act shall be enforced by the Department of Conservation, Division of Water Safety, and such other agents and employees of the Department of Conservation as may be designated and required by the Director.

Section 6. Sale of certificate; fees; accounting; use of funds. The Department of Conservation may issue any certificate of registration directly or may authorize any probate judge in the State or any other official in the state who are presently authorized to issue automobile license plates, to issue certificates of registration and numbers in connection therewith. In conformity with this act and any rules and regulations which may be validly issued by the department of conservation and the department of conservation may assign to each issuing officer in said county a block of numbers and certificates therefor which upon issue the issuing officer shall be allowed a fee of twenty-five cents (25c) for each certificate issued by him which fee in counties where the probate judge is on the fee system shall be retained by the probate judge and in counties where the issuing officer or probate judge is on salary basis the fee shall be paid into the County Treasury.

(1) All registration monies, except the twenty-five cent (25c) fee allowed as aforesaid, shall be remitted monthly to the department of conservation not later than ten (10) days after the first of each month. The department of conservation shall transmit all monies received by it to the state treasurer, there to be deposited in a fund to be known as the "State Water Safety Fund".

(2) All monies received out of the sale of licenses under the provisions of this act are hereby appropriated and released to the department of Conservation and may be used by the Director of the Department of Conservation for all purposes reasonably necessary in the cost of administration of this act including the printing of certificates of registration, postage and transportation charges, clerical, personnel, equipment purchases, salaries, and other expenses for each year except no funds collected under the provisions of this act may be used to supplement or pay the salaries of any enforcement officers other than those hired specifically for the purposes of administering the provisions of this act.

(3) Any unexpended sums in excess of yearly costs of administration that are available out of the monies derived under the provisions of this act may be expended and used by the Department of Conservation for the purposes of water safety education and improvement of non-commercial boating facilities in this state.

Section 7. Operation of Unnumbered Vessels Prohibited. Every vessel on the waters of this state shall be registered and numbered. No person shall operate or give permission for the operation of any vessel on such waters unless the vessel is registered and numbered with the identifying number set forth in the certificate of registration displayed on each side of the bow of such vessel, or in accordance with applicable federal law or in accordance with a federally approved numbering system of another state, and unless the certificate of number awarded to such vessel is in full force and effect.

Section 8. Identification Number. The owner of each vessel requiring numbering by this state shall file an application for number with the department of Conservation or probate judges offices, or license commissioner on forms approved by the Department of Conservation. The application shall be filed by the owner of the vessel and shall be accompanied by a fee in accordance with Section 16 of this act. Upon receipt of the application and its approval by the authorized issuing officer he shall enter the same upon the records of his office and issue to the applicant a certificate of registration stating the number awarded to the vessel, the name and address of the owner, and a description of the vessel. The owner shall paint on or attach to each side of the bow of the vessel the identification number issued to him in such manner as may be prescribed by rules and regulations of the department of conservation, in order that it may be clearly visible and be of such size as required by the Federal Boating Act of 1958 or any subsequent amendment thereto. The number shall be maintained in legible condition. The certificate of registration shall be pocket size and shall be available at all times for inspection on the vessel for which issued whenever such vessel is in operation.

Section 9. Numbering of manufacturers' and dealers' vessels.

(1) The description of the vessel shall be omitted from the certificate since the number awarded may be used on different vessels at different times. In lieu of the description, the word "manufacturer" or "dealer," as appropriate, shall be plainly marked on each certificate.

(2) The manufacturer or dealer may have the number awarded printed upon or attached to a removable sign or signs to be temporarily but firmly mounted upon or attached to the vessel being demonstrated or tested so long as the display meets the requirements of this act.

Section 10. Foreign Vessels. The owner of any vessel already covered by a number in full force and effect which has been awarded to it pursuant to the operative federal law or a federally-approved numbering system of another state shall record the number prior to operating the vessel on the waters of this state in excess of the ninety (90) day consecutive reciprocity period provided for in this act. Such recordation shall be in the manner and pursuant to the procedure required for the award of an original number, except that no additional or substitute number shall be issued.

(a) Should the ownership of a vessel change, a new application form with fee of \$1.00 for change of registration shall be filed with the Department of Conservation and a new certificate issued, transferring the original vessel number to the new owner.

Section 11. Number System.

(1) The vessel identification number issued by the Department of Conservation pursuant to this act shall be divided into parts. The first part shall consist of the symbols identifying the state followed by a combination of numerals and letters which furnish individual vessel identification. The group of digits appearing between letters shall be separated from those letters by hyphens or equivalent spaces.

(2) The first part of the number shall be a symbol indicating Alabama which shall be AL.

(3) The remainder of the vessel's number shall consist of not more than four arabic numerals and two capital letters or not more than three arabic numerals and three capital letters, in sequence, separated by a hyphen or equivalent space, in accordance with the serials, numerically and alphabetically.

(4) Since the letters "I" "O" and "Q" may be mistaken for arabic numerals, all letter sequences using "I" "O" and "Q" shall be omitted.

Section 12. Public Records. All records of the Department of Conservation, probate judge, or license commissioner made or kept pursuant to this section shall be public records, except confidential reports and except accident reports as set out in this act.

Section 13. Term of Certificates. Every certificate pursuant to this act shall continue in full force and effect for a period of one (1) year unless sooner terminated or discontinued in accordance with the provisions of this act. A certificate may be renewed by the owner in the same manner provided for in the initial securing of the same.

Section 14. Change of interest and address. The owner shall furnish the department of conservation notice of the transfer of all or any part of his interest other than the creation of a security interest in a vessel numbered in this state pursuant to this act or of the destruction or abandonment of such vessel, within fifteen (15) days thereof. Such transfer, destruction, or abandonment shall terminate the certificate for such vessel except, that in the case of a transfer of a part interest which does not affect the owner's right to operate such vessel, such transfer shall not terminate the certificate.

(1) Any holder of a certificate shall notify the department of conservation within fifteen (15) days, if his address no longer conforms to the address appearing on the certificate and shall, as a part of such notification, furnish the department of conservation with his new address. The department of conservation may provide in its rules and regulations for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or for the alteration of an outstanding certificate to show the new address of the holder.

Section 15. Only authorized number to be used. No number other than the number awarded to the vessel or granted reciprocity pursuant to this act shall be painted, attached, or otherwise displayed on either side of the bow of such vessel.

Section 16. Classification and fees. Vessels subject to the provisions of this act shall be classified according to the following schedule and the fees charged by the department of conservation for registration shall be in the following amounts:

(1) No person shall operate or give permission for the operation of a vessel which is not equipped as is required by rules and regulations duly promulgated by the director of the department of conservation.

(2) All such safety equipment and safety lights required by this section shall meet such standards as the director of conservation may from time to time establish as minimum equipment and all such safety equipment and safety lights above the minimum requirements which are required by the rules and regulations of the department of conservation shall conform with specific standards as may be adopted by the department of conservation.

This record shall be kept by the owner or operator of the boat livery for a period of at least six (6) months and such record may be inspected at any

time upon request of an authorized agent of the Department of Conservation. Neither the owner of a boat livery or his agent or employee shall permit any vessel owned or operated by him to depart from his premises unless it shall have been provided with the safety equipment required under the provisions of this act and any rules and regulations made pursuant thereto.

Section 20. Muffling Devices and Sirens. The exhaust of every internal combustion engine used on any vessel shall be effectively muffled by equipment so constructed and used as to muffle the noise of the exhaust in a reasonable manner. The use of cut-outs is prohibited, except for vessels competing in a regatta or official boat race, and for such vessels while on trial runs.
